

<b>Strategic plan and Deployment for Students' Council</b>						
<b>Vision</b>						
To be a centre of excellence in Education and Technology committed towards Socio-Economic advancement of the country.						
<b>Mission</b>						
1	To impart advanced knowledge in Engineering and Technology.					
2	To transform young minds towards professional competence by inculcating values and developing skills.					
3	To promote research and ensure continuous value addition among students and employees					
4	To strengthen association with industry, research organizations and alumni to enhance knowledge on current technologies.					
5	To promote next generation technocracy and nurture entrepreneurial culture for social-economic growth.					
<b>Values</b>						
1	Building a relationship between academics and extra and co curricular activities					
2	To build a strong personality and an unshakable character of a student.					
<b>Objectives</b>						
1	Holistic growth of the students.					
2	Fulfill social responsibility					
3	Inculcate sense of responsibility, good interpersonal skills and leadership skills.					
4	To make students think and express with clarity and confidence					
5	Promote self governance					
6	To be a link between students and administration					

Key strategies	
1	Develop proper structure and process for the formation of student council
2	Ensure student representation to inculcate social responsibility, promote entrepreneurial culture and handle gender related issues
3	Proper representation from professional chapters
4	Provide hierarchical structure
5	Extended council to handle the tasks such as - Marketing, Public Relations, Logistics, Sponsorship generation, Social Media Management, Multimedia Editing and Photography
6	Plan in advance for semester wise events and revenue generation
7	Prepare budget in Advance (In the beginning of the A.Y.)
8	Provide platform for innovative ideas
9	Encourage formation of new clubs and events.
10	Involve the students in various administrative bodies
11	Ensure proper balance between academics and extra curricular activities
Major Goals	
1	Increase the participation in all the events and activities
2	Incorporate atleast one new event/Activity every year
3	Increase the participation in University level events and activities
4	Promote club activities(events and workshops) at intra collegiate level
5	Strengthen GST developer program
6	Include atleast one new category in the college magazine
Programs	
1	Prepare event and annual budget for the events
2	Prepare semester-wise event calendar
3	Plan the strategy for marketing the events for revenue generation

4	Publicise the events at inter and intra collegiate level			
5	Develop websites and Apps for events			
6	Manage necessary permissions			
7	Build network with people			
8	Document details of events and activities			
9	Manage Income and Expenses and maintain proper balance sheet.			
10	Develop in house solutions for the Institute to improve the system
