**IEEE SIES Graduate School of Technology** had organised a poster making competition for the students of Third year-EXTC on 6th of October, 2018 at 2pm. The theme for the competition was Cell Phone/Wi-Fi Radiations Hazards and Solutions. There were total 40 teams participating in the competition out of which top 12 were selected for the 2nd round and top three were awarded. The competition was judged by the faculty of the EXTC branch of SIES GST. The students enthusiastically participated in the competition and came up with many creative ideas. The students were judged on the basis of innovation, creativity, presentation. The winner of the event was Shashank Kashyap and team. The 1st runners-up were Safeena Ansari and team. The 2nd runners-up were Nagma Ghare and team. All the winners were felicitated by our respected Principal Dr. Vikram Patil.
