It was also informed that Faculty meeting was conducted on August 19, 2019 where Prof. Prasad Iyer discussed the changes and resolved the queries of faculty members.

Some initiatives taken by Departments/Sections were also informed to the members. Prof. Aparna Bannore, informed that CE Department has planned the conference in March 2020. Dr Atul Kemkar shared that Prof. Shishir Jagtap from EXTC department has filed for a Patent on “A Compact Microstrip MIMO Antenna Using Diversity Techniques”. It was informed by Dr. Lakshmi Sudha that three Certification courses, two Consultancy Projects -‘Document gathering app’ & ‘Queue management app ‘ and two Live projects titled “Intelligent Document handling system” (being developed for the SIESGST office) & “Educational Management System” (being developed for the college) have been undertaken by Department of Information Technology.

In Printing & Packaging Technology, Prof. Prasad Iyer said that two Industry Experts are conducting lectures as visiting faculty. The PPT Department hosted Idealliance South Asia’s prestigious G7 Expert / Professional Level training in collaboration with PAPER Academy on August 24-26, 2019 and one faculty Prof. Gaurav Fasate from the department got certified as a G7 Expert. Few students are also undergoing internships in the weekends. Dr. Nehete informed that innovative projects have been allocated to Final students of Mechanical Engineering. For Humanities & Applied Sciences, Dr. Manasi Karkare shared that the Department conducted five days Induction Program, Course on “Universal Human Values” one hour per week, one extra lecture per subject per week, Google Quiz for every subject, Google classroom for academic purpose for First Year Engineering. Mr. Ramesh Bidi highlighted the initiatives undertaken by Library such as Remote access facility to IEEE journals (faculty only), Checking of Library catalogue (in mobile too), circulation history & suggestion/recommendation of books to library remotely, Collecting feedback through Google form/docs (students/faculty).

3. Approval of Institute Objectives

Following Institute Objectives for Academic Year 2019-20 were discussed and approved by the members.

- 1) *To qualify for platinum category grade in AICTE-CII survey.*

Mr. Saurabh Prabhu, Alumnus, suggested that more alumni members to be inducted to conduct activities involving Industry expertise. In order to facilitate the strong alumni network, exclusive alumni portal to be created.

- 2) *To conduct at least two approved technical audit courses by each department and two non-technical audit courses by the Institute.*

The designed curriculum for the course to be conducted, would be duly approved by the IQAC .

- 3) *To carry out at least one consultancy project with Industry and/or one in-house development of modules as a solution to Institute requirements.*

The members of Department Advisory Board can play a major role to guide and help us to identify the company/project.

- 4) *To conduct at least one Training session for Industry by the faculty members of each department.*

It was suggested that through industry-institute interactions more contacts can be established with the start-up companies/industries, micro, small & medium-scale companies can be identified.

4. Filling of Annual Quality Assurance Report(AQAR) form:

As discussed in previous meeting, AQAR form needs to be submitted to NAAC through IQAC by November 15, 2019. It was informed by Prof. Prasad Iyer and Dr. Rajesh Kadu that 80% of data has been collected, descriptive data is prepared and AQAR form would be completely filled up by October 15, 2019. It was then suggested by Prof. Venkatramani and Mr. S. Srinivasan to have a special IQAC meeting before its submission for validating and verifying the contents.

5. Approving of various Institute Level Committees:

The list of various committees was presented before the members. It was suggested by Prof. Venkatramani that some changes are required as per the UGC/AICTE norms in the mandatory committees. Other internal committees were unanimously approved. He also suggested that, wherever possible it would be prudent to include student members .

6. Any other matter discussed

- 1) *Sponsorship policy for faculty pursuing PhD*: It was decided that the existing policy would be reviewed and decision can be taken in next IQAC meeting.
- 2) *College Website*: Present college website is being revamped and same is under progress.
- 3) *Regarding results of students*: Dr. P.V. Parmeswaran expressed his concern about the number of drop out students and suggested to track their results and reduce number of drop out students by taking remedial measures.

7. Next IQAC Meeting:

Since the AQAR form filling would be completed by October 13, 2019, it was decided to have the next IQAC meeting tentatively scheduled on October 19, 2019 with the purpose of verification of AQAR contents and undertake suggestions from all the members.

The meeting concluded with vote of thanks proposed by Prof. Leena V Ladge.
