Rules and Regulations of Mumbai University

- Mumbai University has opted for credit and grading system from Academic Year 2012-13 which was revised in year 2016-17 and 2019-20 respectively.
- The courses are broadly classified as Theory courses and Laboratory courses. Credit for a course is dependent on the number of hours of instruction per week in that course and is obtained by using a multiplier of one (1) for lecture and tutorial hours and a multiplier of half (1/2) for laboratory hours.
- The minimum credits required for award of BE degree is course specific as per UoM scheme out of which 38 credits are of First Year Engineering. Student's evaluation will be done through **Internal Assessment** and **End Semester Examination**. Internal assessment includes class tests, home assignments based on live problems, course projects either in a group or individually. The modes of evaluation and distribution of marks for each of the assessments is given in the syllabus manual of each program.
- Attendance: Attendance for all theory, tutorial, practical, seminar and project/dissertation is compulsory. As per the university ordinance 119, 75% attendance is compulsory for keeping the term.
- The letter grades and their equivalent grade point applicable for Undergraduate program are given below

% of Marks Obtained	Letter Grade	Grade Point	Performance
80.00 and above	O	10	Outstanding
79.99 to 75	A	9	Excellent
74.99 to 70	B	8	Very Good
69.99 to 60	C	7	Good
59.99 to 50.00	D	6	Fair
49.99 to 45.00	E	5	Average

- **Heads of Passing:** Internal Assessment and End Semester examination are two separate heads of passing. Apart from these, practical and /or oral examinations are independent head/s of passing.
- **Term Work:** Even though Term Work is not a separate head of passing. A learner should satisfactorily complete term work in all courses for a particular semester as per syllabus/curriculum manual to be eligible to appear for any form of examination.
- A learner will be declared PASS and eligible for grade in a particular course of undergraduate program if : A learner fails in Internal Assessment but secures more than 50% of total (Internal Assessment + End Semester Examination) in that course.
- **ATKT:** A candidate is not eligible for next academic year if he/she fails in more than eight heads of passing of which not more than five shall be in End Semester Examinations of Semester I and Semester II taken together.

Rules for Photocopy and Revaluation

1. Applying for photocopy of answer book and applying for Revaluation will be two independent and simultaneous processes.
2. All students are eligible to apply for photo copy and revaluation.
3. Processing fee for photocopy is Rs. 110 and for revaluation Rs. 510 per subject for all semesters. 50% concession will be given to SC/ST/EBC/NT candidates.
4. If a student passes the semester examination after revaluation then he/she can apply for refund of KT examination fees.

Rules for Provisional Admission:

1. The students who are awaiting revaluation result can take provisional admission in the next year.
2. The candidature will be regularized if a candidate becomes eligible after revaluation result, otherwise cancelled.
3. Provisionally admitted students are allowed to attend all lectures, practical and tutorials.

STUDENT CHAPTER

Institute of electrical and Electronic Engineers (IEEE) Chapter

To foster technological innovation and develop activities for professional development.

Faculty I/C : Mr. Biju Balakrishnan

Institute of Electronics and Telecommunications Engineers (IETE) Chapter

To plan and organize technical programs and activities and to provide a common platform for the student members to exchange ideas and information on the topics of their interest.

Faculty I/C : Ms. Leena Ladge

Computer Society of India(CSI) Chapter

To facilitate research, knowledge sharing, learning and career enhancement of all categories of IT.

Faculty I/C : Ms. Suvarna Chaure

Indian Society for Technical Education (ISTE) Chapter

To organize technical events, lecture/seminars by experts from industry, R&D organizations, defence services, government departments and other institutions.

Faculty I/C: Ms. Katyayini Tembadmani

The Indian Society of Heating, Refrigerating and Air Conditioning Engineers (ISHRAE)

To promote research in the field of products or techniques/technology aimed at specific end use. It is committed towards building a safe environment for the future.

Faculty I/C: Dr. Kaustubh Chavan

Society of Automotive Engineers (SAE) Chapter

To provide the student members with challenging projects that involve planning and manufacturing tasks. Some of these projects include Micro-Truck, BAJA, Super-Mileage Formula SAE series, SAE Clean Snowmobile Challenge and Mini BAJA Series.

Faculty I/C: Mr. Prashant Ambadekar

Indian Plastic Institute (IPI) Chapter

To help students gain advance knowledge and current information about technology and applications, the contemporary industrial practices and potential future developments in plastics through IPI educational activities.
