## ISTE Chapter

### Report 2021-22

SIES Graduate School of Technology(SIES GST) provides opportunities for Personality Development of Students, Career Development of Teachers and overall development of our Institute. We at SIES GST, foster an ambience for student development program.

SIES GST has conducted two programs namely, **Model United Nations and Bytecamp 2022.**

<b>Activity</b>	<b>Description</b>
<b>Model United Nations 2022</b>	<p>The eighth iteration of Model United Nations 2022 was conducted on 19th March &amp; 20th March 2022 in collaboration with ISTE. It was a two-day international relations conference for students conducted offline. SIES GST MUN has been getting bigger and better every year. The Indian Society for Technical Education is a national, professional, non-profit Society which also sponsors the winners of SIESGST MUN every year. This year, similar to last year, we received a letter of encouragement from the Secretary-General of the United Nations acknowledging our attempt to address the challenges of the current times and to build a healthier, more equitable and sustainable future for all. The theme for the AshtaGSTMUN was ‘Speak to Seek’. There were three committees, DISEC (Disarmament and International Security Committee), CND (Commission on Narcotic Drugs) and MOLAE (Ministry of Labor and Employment)</p>
<b>Bytecamp 2022</b>	<p>The event conducted on 26th and 27th March 2022 in collaboration with ISTE. The main motto behind conducting ByteCamp is to develop entrepreneurial skills, technical skills and great team work among the participants. During Hackathon, student’s real world problem solving skills are evolved since they are given a real world problem centered around a specific technology which helps them learning new things and accordingly build the project in those 24hrs. Students experiences team building, project and time management and receive prize money on their deserving performances.</p>
