MINUTES OF MEETING AICTE_NISP Committee

	<ul style="list-style-type: none">● Consider non-teaching staff in policy● Systematic procedure for enrollment● Consideration of technology based, and technology driven start up● Some flexibility should be given related to attendance to students● Students should be allowed to join placements back if they don't get success in entrepreneurship● Institute can't set equity during initial phase● Use institute fund or separate fund for startups center not to be dependent on CSR and government for grant● Faculties those who are going to be involved in start-up, should be given with only 50% load
Mr. Sandip Dhurat	Suggested that: <ul style="list-style-type: none">● faculty can identify and recommend students for startup● the patentability and feasibility should be checked in the initial level
Mr. Samadhan Manore	Suggested that: <ul style="list-style-type: none">● check government norms before finalizing institute policy to be aligned as per government norms● Faculty may allow to take leave of 6 months for working on start-up● students from third year also can be added in start-up activity, so that they will get enough time to work on start-up
Mr. Vishal Dubey	Suggested that: <ul style="list-style-type: none">● some grooming session should be done at start of incubation that gives students clear idea about final outcome well in advance● students are more open to their fellow seniors, we can take help of senior in student selection
Mr. Ameya Kale	Suggested that: <ul style="list-style-type: none">● there should be clarity related to facilities provided by startup center for faculty and students
