Event date: 8th March 2023

Organized for: Students , Teaching , non teaching and BVG women staff

Organized by: Women's Development Cell SIES GST

Engagement: 65

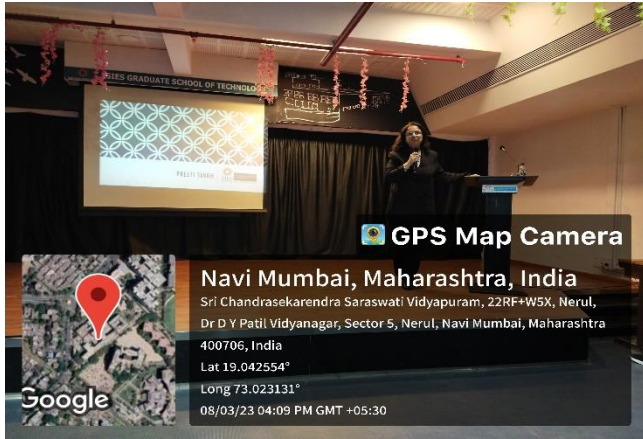

The International Women's Day 2023 witnessed a grand celebration event for the teaching, non-teaching staff as well as the students of the SIESGST.

The celebrations included a lamp lighting ceremony, musical performances, poetry recitation, story narration by students of SIESGST, a guest lecture on women empowerment by Mrs. Preeti Singh, a certified NLP practitioner, felicitation of Mrs. Shahabai Salve, a cleaning staff at the Kamakshi temple of SIESGST, as well as an autorickshaw driver and a fun musical game for the audience.

The female faculty of SIESGST was presented with a gift as a token of love and appreciation.

Impact Analysis: It was an excellent initiative by the Women's Development Cell of SIESGST, which will go a long way in promoting gender equality and empowering women. The celebration was a great opportunity for everyone to reflect on the progress made towards gender equality and to renew their commitment to promoting women's rights and empowerment
