

Reconnect with Fond Memories: SIES GST Alumni Reunion 2024

Dear Esteemed SIES GST Alumni,

Warm greetings!

As we journey through life, there are certain chapters that remain etched in our hearts forever. Our time at SIES Graduate School of Technology has undoubtedly been one such cherished chapter, where bonds were forged, memories were created, and dreams took flight. It is with immense joy and nostalgia that we extend this heartfelt invitation to you for the much-anticipated Alumni Reconnect 2024, scheduled for March 2, 2024. The corridors that once echoed with laughter, the classrooms that witnessed our shared triumphs and challenges, and the grounds where we cheered on each other's victories - they all hold a special place in our hearts. As we gather once again, we are not just coming together as alumni; we are reuniting as a family, bound by the ties of shared experiences and enduring friendships.

This reunion isn't merely about reminiscing about the past; it's about celebrating how far we've come since those days. It's about honoring the journey of each and every one of us, the milestones we've achieved, and the obstacles we've overcome. It's about recognizing that no matter where life takes us, we will always carry a piece of SIES GST within us - a beacon of knowledge, resilience, and camaraderie.

In the spirit of reconnecting, we invite you to join us for an evening filled with laughter, tears, and countless heartfelt conversations. Let's swap stories, exchange updates, and reignite the flames of friendship that were ignited within the walls of our alma mater.
