

Dream Run - 2016

Dream run is an annual marathon which is held for a noble cause every year and this iteration was held on 14th February 2016. Like all the previous iterations, this one also had a specific mission - that was to raise money for the Naam foundation. It was organized by the NSS unit, in collaboration with the Students council and witnessed an active participation from 390 students and 25 teachers, with high morale and enthusiasm from the participants. In addition, a street play was also organized at Nerul station to spread awareness about the initiative.
