

## Disaster Management Workshop – 30<sup>th</sup> March, 2019

The NSS unit of SIES Graduate School of Technology conducted Disaster Management Workshop on 31<sup>st</sup> March, 2019 in partnership with the Social Architect Foundation. The workshop was conducted on the basic concepts of disaster management and witnessed the participation of around 68 volunteers. The objective of this seminar was to inculcate in the attendees, an ability to act quickly and responsibly in times of emergency. The attendees of this workshop were trained for various aspects of disaster management. Demonstrations and training on the use of medical bandages, mobilization/transport techniques, fire management, mock drill on terrorist attack, etc were taught.
