Event Description

The NSS unit of SIESGST along with the whole college celebrated the 70 years of Independence from the British. Various events were scheduled during the day. 105 teachers participated and 150 students participated in the activities. Respected principal sir hoisted the Tricolour and the national anthem was sung. As every year the NSS volunteers performed a musical skit titled "Do we really care?" on elders. Through the skit a beautiful message was sent as to how we should respect our elders.
