Target Audience (Branch & Nos.): Everyone
Attachments: 1. Event report   **2. Photographs**

Event Description
Every year 15th August is celebrated as "Independence Day" in SIES Graduate School of technology with great enthusiasm. This year as well, we celebrated our 73rd Independence Day with great energy, with 100 students and 80 teacher volunteers. The day started with an assembly in the GST quadrangle where flag hoisting took place followed by a speech from our respected in charge Dr. Atul Kemkar. Further the assembly was shifted to the GST auditorium where the host were introduced and the start of the day was marked followed by a sequence of performances by different student chapters of our college including the NSS. Newly Recruited Second Year NSS volunteers enacted an excellent skit. They performed on three different topics favoritism, dreams and passion and dignity of labor which was well appreciated by the audience. The entire functioning of the program was handled by the TE NSS volunteers. The program ended by an energetic speech by one of our students.
