Event Description

The eighth iteration of Model United Nations 2022 was conducted on 19th March & 20th March 2022. It was a two-day international relations conference for students conducted offline. SIES GST MUN has been getting bigger and better every year. The Indian Society for Technical Education is a national, professional, non-profit Society which also sponsors the winners of SIESGST MUN every year. This year, similar to last year, we received a letter of encouragement from the Secretary-General of the United Nations acknowledging our attempt to address the challenges of the current times and to build a healthier, more equitable and sustainable future for all. The theme for the AshtaGSTMUN was 'Speak to Seek'. There were three committees, DISEC (Disarmament and International Security Committee), CND (Commission on Narcotic Drugs) and MOLAE (Ministry of Labor and Employment) highlighting on the agendas:

1. DISEC – Discussion to formulate a global counter-terrorism strategy.
2. CND- Discussion to address the situation of drugs in Afghanistan with special emphasis on Taliban controlled drug lines. .
3. MOLAE - Discussion over the viability of increasing wages and allied benefits.

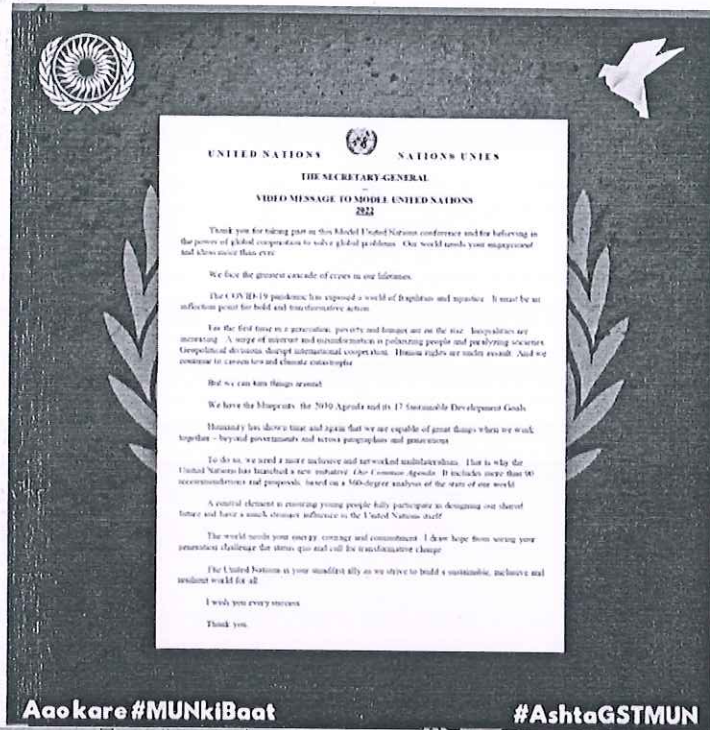

DISEC saw a total of 35 delegates, CND with 33 delegates, while MOLAE had 27 delegates. DISEC committee was chaired by Ms. Ritika Singh and vice-chaired by Mr. Karan Nair. CND was chaired by Mr. Dhruv Thakker. MOLAE was chaired by Ms. Drasti Jain and vice-chaired by Mr. Tanay Musale. All three committees saw enthusiastic participation of the delegates.

Impact analysis:

The conference offered students the chance to discuss pressing global issues and challenged them to take on new perspectives; enabling them to become the world leaders of the future. It imbued confidence in students and took away their apprehensions of speaking in front of a large audience.
