## CE Department

### Deployment for AY 2023-24

### Compliance report for the academic year 2023-24 with respect to Strategic Plan 2018-2025

<b>Goal 1</b>	<b>To enrich curriculum</b>
---------------	-----------------------------

S. No	Strategic Objectives	2018-19	2019-20	2020-21	2021-22	2022-23	2023-24	Remarks
1.	Department Advisory board	One meeting conducted on 01 September 2018	One meeting conducted on 19 October 2019	One meeting conducted on 30 January 2021	One meeting conducted on 12 February 2022 <a href="#">DAB MOM</a>	One meeting Conducted in March 2023	One meeting Conducted in February 2024	To be conducted at least once a year. MoM are attached for the reference.
1. 2	Development of Course Objectives and Course outcomes to foster	Done	Done	Done	Done	Done	Done	To be done for every batch at the beginning of the academic year.

	Outcome Based Learning							
1.3	Academic-Activity Calendar	Prepared	Prepared	Prepared	Prepared	Prepared	Prepared	Prepared in the beginning of every semester.
1.4	To enhance curriculum delivery beyond syllabus activities	Conducted	Conducted	Conducted	<a href="#">SDPs 2021-22</a>	6 <a href="#">AY 2022-23</a>	<a href="#">AY2023-24</a>	Value added courses are conducted on recent technologies which require in industry.
	Industrial Visits	2	2	0	0	1	2	Visits are organized on regular basis to IT and other related companies
	Guest lectures	8	3	7	7	9	12	Guest lectures are targeted to bridge the curriculum gap identified

Internships	72	56	120	35	43	162	Internship opportunities are floated during the semester for which interested students apply for their knowledge enhancement
Problem-Based Learning	Implemented	Implemented	Implemented	Implemented <a href="#">Problem based learning</a>	Implemented <a href="#">Problem based learning</a>	Implemented <a href="#">Problem based learning</a>	Case studies discussion and designing problems to enhance learning experience
Certificate programs	2	10	0	3	6	4	Programs based on the skills development relevant to the needs of Industry
Student Seminars	6	6	46	46	17 grp of TE C 17 grp of TE D 18 grp of SE C 18 grp of SE D	18 grp of SE C 17 grp of SE D 17 grp of TE C 17 grp of TE D	Seminars are conducted on the topic beyond syllabus but closely

								related to the contents
1.5	To offer industry-oriented certification courses/projects	Offered	Offered	Offered	Offered	offered	Offered	
	MOOCs	287	668	48	26	6	02	Institute Level : Courses offered by institute as NPTEL Study centre, Coursera university partner and IIRS Network Institute
	Value Added Courses	2	10	5	6	5	8	In summer and winter vacations, value added courses are conducted at department level which aims to

								enhance the programming/coding skills and updates in the technology
	Industry Projects	1	1	0	1	1	8	Students major projects are based on the problem provided by the industry.
	Expert talks	5	1	3	7	9	12	Expert talks are arranged to bring awareness students about cutting edge technologies in the industry various relevant standards used
1.6	Innovative teaching methods	Implemented : Mind Map, Collaborative teaching method	Implemented : Mind Map ,Collaborative teaching, Reflective learning	Implemented Collaborative learning, Quiz, Poll	<u>Implemented:</u> Seminars, project based learning, Flipped classroom, Think-Pair-Share	<u>Implemented</u> Android based applications, crossword, TPS, poster presentation,	<u>Implemented</u> Industrial visit, TPS, crossword puzzle, Polling, Flipped	Shall be implemented every academic years based on the course / batch requirements.

			Role Play			Flipped classroom, Seminars beyond syllabus, case studies, real life problems	classroom, Quiz, Case study.																																																																	
1.7	Result Improvement	Compared to 2018-19:	Compared to 2019 - 20:	Compared to 2020 – 21:	Improvement is observed in result.	Compared to 2021 – 22	Compared to 2022 – 23	In AY 2023 –24 result major improvement can be seen for SE and BE.

Goal No	Description	Remarks:
1	To enrich Curriculum	We are organizing Student development programs at department level also conducted value added courses. We need to focus on Certification programs.
2	To incorporate a digital platform to improve the teaching-learning process	We are using various ICT Tools for effective teaching learning process.

3	<p><b>To encourage research and consultancy, industry-institute interaction and entrepreneurship activities</b></p>	<p>Industry lab is not available in the academic year 2018-19 , 2019-20 and 2020-21. We are trying to collaborate with industry to have the lab.</p> <p>To improve the research activities in the department the following objectives were set for 2023-24 at department level.</p> <p>Objective 1: At least 90% of Final year projects to publish papers in Conferences/ Journals/copy right/ patent</p> <p>Objective 2: All the faculty should be involved in conduction of Value-added courses along with industry expert.</p> <p>Objective 3: All the faculty should arrange expert talk/ seminar/ workshop from the Industry expert.</p> <p>As per the above objectives following activities are carried out in the department:</p> <ol style="list-style-type: none"> <li>BE IT : 19 Groups Conference publications- 08 (Accepted- 05) Journals Publications - 03 Patent : 01 (Applied) <u>Publications List</u></li> <li>Live Project for GST Logistics Pvt Ltd: Ms. Leena L along with Asmi, Swati, Madhurya, Bhoomi have developed a logistics web application.</li> </ol>
---	---	---

		<p>3. Prof. Leena Ladge had organized "Panel Discussion 2023 - Entrepreneurship Development", under IETE Students' Forum , on September 13, 2023.</p> <p>4. All the faculty members have arranged expert talk/ seminar/ workshop from the Industry expert.</p> <p><a href="#">Activity List</a></p>
4	<b>To strengthen alumni engagement and enhance the student experience.</b>	We are conducting regularly alumni interaction sessions for students to improve placements. Also to bridge the gap between industry and curriculum, we have set an objective at department to arrange one expert talk by the faculty from the Alumni in the year 2020-21 and every year arranging expert talks/seminars/workshops to bridge the gap between Industry and academics. Involving Alumni for the same.
5	<b>To enhance contribution towards society and the environment</b>	Activities were conducted at college level.
6	<b>To initiate new courses at UG and PG level</b>	One PG course “ME (Information Technology in Information Security)” is introduced in 2021-22 academic year. It is continued in 2023-24.
7	<b>To formulate development plans to improve the overall quality of the Institute</b>	We need to focus on faculty awards and informed the faculty to focus on the same.
<b>Objectives of the department for the Academic year 2023-24:</b>		

1. Each department should get at least 2 MOUs with Industry/ Educational Institutes and conduct collaborative activities under all the functional MoUs
2. At least 90 percentage of Final year students to publish /present papers in Conferences/ Journals/copy right/ patent
3. 25% of SE/TE Students should complete certification course.
