Event Description

Value Added Course on “Cloud Computing” was conducted for all students across all branches of SIESGST during January 01 to 06, 2024.

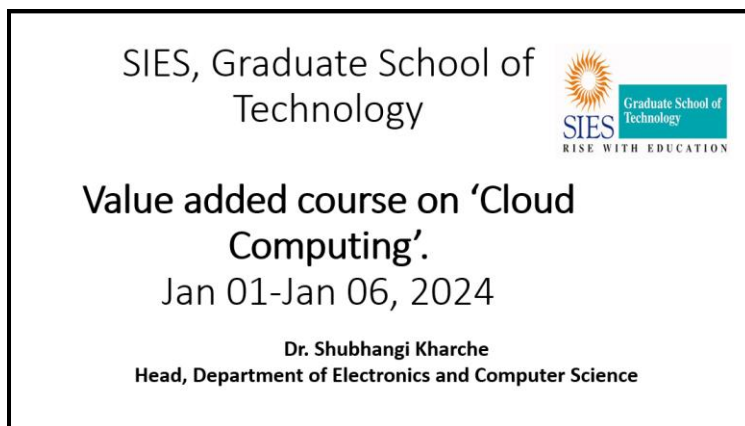

A total of 92 students had registered for the course out of which 56 students attended the full course and the internship.

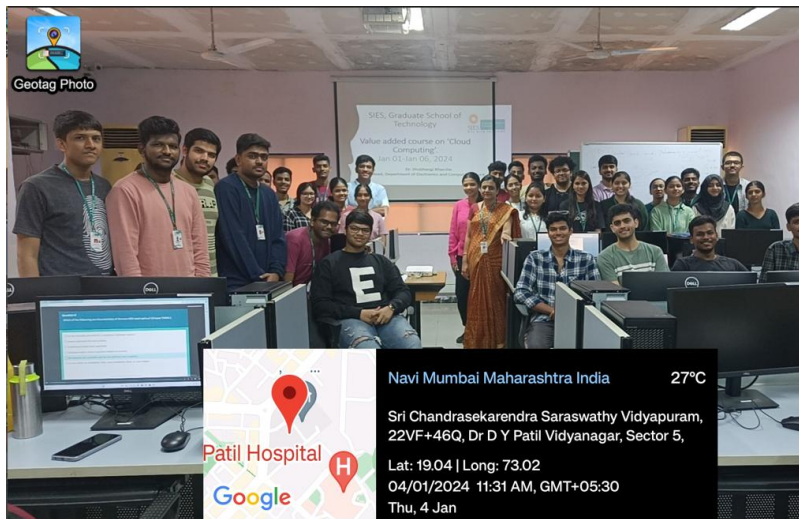

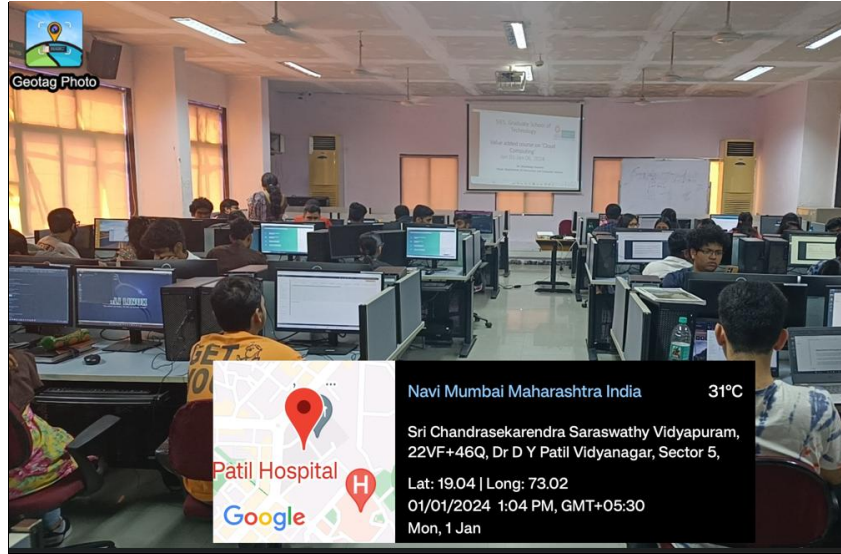

Broad topics covered in the course include Introduction and overview of cloud computing, Load Balancing, Autoscaling and AWS Storage Volumes, Storage as a Service, Identity Management as a Service and Database as a Service, AWS Networking Services, AWS Storage Volumes & AWS messaging Services, and Introduction to Google Cloud, Microsoft Azure and Deployment of Machine Learning Models.

The first five days sessions were conducted by Dr. Shubhangi Kharche and last day session was conducted by Industry expert Mr. Sharad Shriyan.

Students enjoyed the course by practicing labs, solving quizzes, implementing mini and major projects. They developed a thrust for seeking job opportunities on cloud computing domain.
