

# SIES Graduate School of Technology(Autonomous) Department of First Year Engineering

## **Department of Humanities & Applied Sciences**

## **Event Report**

AICTE Approved Faculty Development Program on Universal Human Values (August 21-23, 2024)

#### **Event Information**

**Event Type:** Faculty Development Program

**Event Title: Universal Human Values I** 

#### **Resource Person:**

1. Dr. Yashwant Patil

Professor, Civil Engineering Department, Shivajirao S. Jondhle College of Engineering and Technology, Asangaon, Mumbai.

2. Dr. Kakuli Maiti

Professor, Dept. of Humanities & Applies Science, Datta Meghe College of Engineering, Airoli, Mumbai.

3. Dr. Gayatri V. Bachhav

Professor, Computer Science and Engineering Department, Vasantdada Patil Pratishthan's College of Engineering, Sion, Mumbai.

#### **Faculty Involved:**

- 1. Dr. Sandhya Bharambe
- 2. Dr. Vimala Elengo

Event Day & Date: Wednesday – Friday, 21-23 August 2024, Time: 08.30 am to 5.00 pm

Venue: Seminar Hall, SIES Graduate School of Technology

Organized for: Faculty of all Engineering Colleges

**Organized by:** Department of Humanities & Applied Sciences

Target audience (branch & nos.): All Faculty Members (All branches),

No. of faculty members attended: 61

**Attachments: 1.** Photographs (in JPEG/PNG)

2. Attendance and feedback Analysis.

3. Impact Analysis.

## **Event Description**

The event was organized by the Department of Humanities and Applied Sciences for all Faculty Members across all departments of engineering colleges. Dr. Yashwant Patil, facilitator for the FDP conducted the sessions, Dr. Gayatri Bachhav was the co-facilitator and Dr. Kakuli Maiti was the observer.

#### **Introduction:**

The Faculty Development Program (FDP) on "Universal Human Values I" was conducted successfully for three days from 21<sup>st</sup> to 23<sup>rd</sup> August 2024, in the Seminar Hall of SIES Graduate School of Technology, Navi Mumbai. The program aimed to shed light on the importance of human values, the need to emphasize values for a harmonious society imbibed with ethics and values.

## **Speakers and Participants:**

Dr. Yashwant Patil, was the facilitator while Dr. Gayatri Bachhav was the co-facilitator. Dr. Kakuli Maiti acted as the observer for this FDP. FDP schedule was circulated from AICTE due to which the participants were from across the engineering colleges. There was even a participant who has registered from Coimbatore but couldn't attend the program.

#### **Key Highlights:**

The FDP began with the inaugural function which was attended by Dr. K. Lakshmi Sudha, Principal SIESGST, HoD's of all the departments along with the guests and the participants. Prof. Pallavi Mane hosted the inaugural ceremony with the co-operation of all the FE faculty members.

Dr. Yashwant Patil pointed out the challenges faced by young minds and the reasons behind this disharmony in society. Further, he also spoke about the nine important emotions, right understanding, indispensable nature of relationships and the necessity to have a right understanding. All the sessions conducted during these three days were interactive and the participants had healthy discussions with the speakers and their fellow participants.

The valedictory function was conducted at 4pm on 23<sup>rd</sup> August which was hosted by Dr. Vimala Elengo. Dr. Rajiv Gupta thanked the speakers for their valuable insights and SIEGST for the hospitality and the systematic arrangements on behalf of all the participants.

#### **Vote of Thanks:**

Dr. Sandhya Bharambe extended heartfelt gratitude to Dr. Yashwant Patil, Dr. Kakuli Maiti and Dr. Gayatri Bachhav for their enlightening session and to all participants for their active engagement. She also thanked the organizing committee, support staff, and the management of SIES Graduate School of Technology for their contributions to the success of the FDP.

## **Conclusion:**

This report encapsulates the enriching experience of the Faculty Development Program, emphasizing its significance in promoting ethical awareness and fostering a culture of integrity within the engineering community.
