First Year Induction Report (2022-23):

First-year Induction program is conducted by First Year Humanities and Applied Sciences Department of SIES GST every year to kick start the academic session with a warm interaction with the freshers. Faculties and senior students join hands to make the day memorable for all the students who join SIES GST with a million dreams for a bright future. This year the batch for 2022-23 joined the campus and in order to familiarize them with the college system and campus activities an initial day long program was organized followed by multiple sessions spread over few weeks. All these sessions catered to varied interests and hence got very good response.

SESSION 1- Orientation

SIES Graduate School of Technology
Nerul, Navi Mumbai

| AICTE Approved | NAAC Accredited |
| Four courses NBA Accredited |
| Affiliated to the University of Mumbai |

Invitation to Orientation Program
Batch - 2022-26

Group 1 : (Computer, ECS, AIDS):
11.00am to 12.00pm

Group 2: (IT, EXTC, MECH, AI&ML, CSE): 2.00pm to 3.00pm

Date: 04.11.2022
Venue: SIESGST Auditorium

First Year Engineering

The inaugural session of Induction took place on 4th Nov,2022 for the new batch of AY 2022-23 in which 525 students attended the session in two shifts. The adviser Dr. PV Parameswaran, Principal A. N. Kemkar, Vice Principal Dr. Aparna Bannore, and HOD FE Pratibha Sharma presided over both the sessions. Computer, ECS and AIDS Branches attended the morning session hosted by Prof Suman Sarma while IT, EXTC, MECH, & AI&ML branches attended the afternoon session which was hosted by Prof. Pallavi. These sessions were full to capacity and the students were familiarized with various policies meant for students exam, attendance, dress code, over all discipline etc. which equip the student with a roadmap to a successful college life. Brief introduction provided about library membership, timings, branch-wise arrangement of collections, (Books, journals, links to e-journals, e-books, etc.) and services (book search, total issued, duration, photocopy, new arrivals & internet facility etc)

Session 2 : Library Induction

Library are the source of knowledge and are the most important aspect of our education. Library conducted **orientation program** in November-December 2022 to first year students to familiarize every student with the resources, services, facilities etc. offered by the Library and its usage policies.

Session 3: Universal Human Values

A Universal Human Values session on “Goal setting” was conducted exclusively for FE students by Department of H & AS with guest speaker Dr. Manasi Karkare. Three days the sessions were conducted for all the divisions of FE. Dr. Manasi Karkare discussed about what are goals, what is the difference between goals and desire, how goals can help them get closer to that desire. She also explained about constraints in Goal setting, how to create smart goals etc. Various activities were conducted for the students to frame their goals and they found it interesting. The session was very lively, and students gave good feedback about the seminar

Session 4 : Google Developer Student Club

First Year Orientation - GDSC SIES GST” session was conducted on 12th January 2023 by GDSC SIESGST for Students of all branches. It was attended by 193 students.

An info session held in GST auditorium wherein all the FE students were briefed about various domains that they can pursue in future by GDSC SIES GST Experts. They FEs were briefed about the upcoming sessions/bootcamps/events in the campus.

Session 5: Yoga Session

The First Year Engineering Department along with NSS Unit of SIESGST conducted yoga sessions for freshers as a Part of FE Induction 2023. Yoga does not change the way we see things but it transforms the person who sees. "One cannot always control what goes on outside, but one can always control what goes on inside. So for the real transformation from within freshers were familiarized with the age old benefits of yogic practice in sessions conducted in the Ved Pathshala by trained yoga practitioners.

Session 7: FE Orientation for TnP

The Training & Placement Cell of SIES GST conducted an orientation for Training & Development, an event tailored exclusively for engineering students beginning their academic journey. This orientation aimed to equip the FE students with essential knowledge and resources to excel in your first year and beyond, with a primary focus on training and placement opportunities.

The orientation was conducted on 10th, 11th & 13th April, 2023 and focused on following aspects of Training & Development:

1. Discover the training landscape
2. Connect with industry professionals
3. Navigate career resources
4. Engage in skill-building workshops:
5. Learn from experienced professionals
6. Connect with Alumni
7. Explore industry pathways

By attending this orientation, students gained valuable insights into the training and placement, enabling them to make informed decisions about their career paths.

Overall, this orientation played a pivotal role in shaping the career trajectories of engineering students, ensuring they are well-prepared and positioned for success in their training and placement opportunities.
