Employer Feedback Analysis (2023-24):

A form is designed to get feedback from our employers about our students and institute infrastructure. Also the willingness of the company to participate in internships, projects, expert talks, joint research, faculty training and industrial visit is also taken. The form included questions about

1. Students' quality
2. Institute infrastructure and facilities
3. Willingness of company participation

Feedback Analysis:

Feedback from employers is analyzed to create a quality profile for the year in relation to the institution vision and goals. The response of this feedback form consists of the five options as excellent, very good, good, average, and poor. Employers are happy to get associated with our institute.
