ISTE Chapter

Report 2023-24

SIES Graduate School of Technology(SIES GST) provides opportunities for Personality Development of Students, Career Development of Teachers and overall development of our Institute. We at SIES GST, foster an ambience for student development program.

SIES GST has conducted a program as under:

Activity	Description
Faculty Development Program	<p>Conducted ISTE approved one-week STTP on "National Education Policy and Autonomy in Higher Education Institutions", from 18th December 2023 to 23rd December 2023.</p> <p>COURSE OBJECTIVES:</p> <p>The central focus of this STTP is to facilitate nuanced discussions among faculty members, who serve as key proponents of the NEP, with a primary goal of restructuring the education ecosystem for the successful implementation of autonomy and the NEP. Additionally, the program aims to stimulate interdisciplinary research across various dimensions of both ancient and contemporary Indian knowledge systems.</p>
