Event Descriptions

Dream Run – 9th April 2023

The NSS Unit of SIES Graduate School of Technology organized “Dream Run” - A marathon, on 9th of April 2023. The event was previously conducted 4 years ago on 24th February 2018. The marathon was divided into three categories which was 3KM, 5KM and 8KM. Dream Run was organized for a specific cause, and this year the cause was “Autism”. There is an NGO named ‘Ramchandra Kurulkar Bahudessian Shikshan Sanstha’ at Panvel which consists of 35 childrens who are suffering from autism. The NSS Volunteers was successful in collecting donations through crowdfunding, marketing & publicity and many other sources. The entire amount which was collected by the volunteers was donated to the NGO.

The event commenced at 6:30 AM sharp. The opening ceremony started at 7:00 AM followed by Zumba. Ms.Richa Sameet -Founder of Let's Celebrate Fitness was the chief guest of the event. After the opening ceremony, the participants were led in a warm-up session by the volunteers. The volunteers conducted a zumba session, which was a great way to get everyone energized and excited for the main event. At 7:30AM, all the participants who were registered for 8 KM & 5KM began their run. The participants who were registered for 3KM started their run at 8:00AM. Throughout the race,

Sri Chandrasekarendra Saraswathy Vidyaapuram
Sector-V, Nerul, Navi Mumbai-400706

volunteers and medical personnel were stationed along the course to provide assistance to runners who may need it. Water and refreshments are also provided to help runners stay hydrated and energized. In total there were 10 checkpoints for 8KM, 4 checkpoints for 5KM and 5 checkpoints for 3KM. The starting and the ending point of the marathon was SIESGST. Post marathon snacks were available for all the participants.

Award ceremony and felicitation started at 11:00 sharp. There were medals and certificates to all the participants of every category. Our esteemed guest Ms. Richa Sameet felicitated winners with the certificate, medals and cash prize and also enlightened everyone with the importance of fitness and nutrition. The marathon event was a grand success, thanks to the efficient coordination among the volunteers. The feedback from the participants was overwhelmingly positive, with many commending the volunteers for their hard work and dedication. A cheque of Rs.2,00,000 was donated by the NSS Unit of SIES GST to the NGO as a good cause.

Impact Analysis:

The Dream Run marathon had a significant impact, as it was organized for a noble cause of raising awareness and support for Autism. The impact of the Dream Run can be seen in the contribution made to the NGO and the awareness raised for autism through the marathon. Overall, the Dream Run can be considered a successful event that achieved its objectives of supporting a noble cause and creating awareness among the masses. The Dream Run can be considered a successful event not only in terms of its impact on the cause it supported but also in terms of the skills and knowledge gained by the volunteers who organized it. The volunteers had the opportunity to develop various skills such as marketing, publicity, and event organization. Overall, the Dream Run was a win-win situation for everyone involved, including the participants, supporters, volunteers, and the beneficiaries of the NGO.

Event Description

On April 14th, Dr. Bhimrao Ramji Ambedkar or Ambedkar Jayanti or also know as Bhim Jayanti was organised by NSS Unit of SIES GST.

All the NSS volunteers were called upon to attend the activity in the morning at 8:00am. NSS volunteers were gathered in the venue on time. Venue for the activity was SIES GST Quadrangle. The session begun by lighting the lamp of Dr. Ambedkar's Photo, by Sandhya Ma'am. After which Prof. Mahesh gave a very insightful speech about Dr. Ambedkar, the speech included the life story and how his presence played a important role in India's Foundation. The event then continued by speeches given by NSS Volunteers about various topics related to Dr. Ambedkar. The activity concluded at 10:00 am by Vote of Thanks provided by Sandhya ma'am.

This activity proved very insightful to NSS volunteers by knowing and embracing our Heroes on their Special Day.

Impact Analysis:

The Ambedkar Jayanti activity conducted by NSS volunteers had a significant impact on the volunteers. The Ambedkar Jayanti event by NSS at SIES GST has made a notable impact by promoting Dr. B.R. Ambedkar's ideals of social justice and equality, fostering community engagement, and providing valuable skill development opportunities for students, all while creating a more inclusive and equitable society.

Sector-V, Nerul, Navi Mumbai-400706

Event Description

The NSS volunteers of SIES GST planned their annual orphanage visit and visited the Girija Balashram situated in Kharghar. Orphanage visits have been carried out by generations of NSS batches as they transition from SE to TE volunteers. This is the first activity solely planned and executed by the soon-to-be promoted SE volunteers. The visit took place on the 29th of May 2023.

The volunteers first introduced themselves and asked them for their introduction. A lot of fun games and activities were planned for the children. Everybody actively participated in the games and enjoyed thoroughly. The volunteers also played music and sang songs to create a soulful vibe and the children also chimed in to sing the songs. Lastly snacks were provided to the children and the volunteers bid adieu leaving with fond memories that would last forever. With that, the activity came to an end.

Total Volunteers: 16 (10 TEs + 6 SEs)

Sri Chandrasekarendra Saraswathy Vidyapuram
Sector-V, Nerul, Navi Mumbai-400706

Impact Analysis:

The Orphanage visit was the first one activity where the SEs solely planned and executed the activity. This activity is organized to gauge if the SEs are ready to be promoted to TE tenure. This is a crucial activity carried out each year, where every task is closely observed by the TEs. The volunteers get to interact with orphaned children and get to spend a day with them. After fully grasping the environment and the situation, we realize how privileged lives we lead. But the main objective of this activity was to do something fun and worthwhile for the children. To see the smile on their faces is the best gift we could have gotten.

Event Descriptions

On the 26 June 2023, the NSS unit of SIESGST visited the DY Patil University where a session was conducted on awareness against drug abuse. The session was conducted by the Anti-Narcotics Cell, Navi Mumbai, The NSS unit of SIESGST and Anvay De-addiction center, Vashi. The message was conveyed through a short film featuring aspects on how drug abuse ruins the lives of people. The session was attended by guest Police Sub Inspector Mr. Shinge of the Anti-narcotics cell. After the session was concluded, the NSS volunteers went around the neighbouring areas to spread awareness about drug abuse.

Orientation of NSS – 1st August 2023

The NSS Unit of SIES Graduate School of Technology conducted the Orientation for the newly selected Second Year volunteers for the year 2023-24 on the 1st of August 2023 at the GST Auditorium.

The event started after playing the NSS Geet, followed by a speech by the program officer Prof. Mahesh Biradar. The speech included all the basic details and benefits of NSS. The presentation continued with brief information on all the activities performed by previous volunteers.

It was then continued by the introduction of Heads. After all the introduction, the Heads explained all the rules and regulations which were to be followed to the Second years. This event marked the end of the orientation for the Second year's batch 2023-24.

The event started at 4:30 pm and lasted for two hours.

Event Description

The NSS Unit of SIES Graduate School of Technology conducted a Tree Plantation Drive on the 8th August, 2023 at Sector 34, Seawoods, Navi Mumbai, Maharashtra. The newly promoted TE NSS volunteers organize this drive every year as a way to strengthen their bonds.

The drive commenced at 8:00 A.M. with Program Officer, Prof. Mahesh Biradar Sir planting the sapling followed by several saplings planted by other faculty members.

The rest of the saplings were planted by the NSS volunteers. The plantation drive was conducted successfully with the help of a NGO who guided us throughout the process.

The name of NGO is Sampurna Shisha and Jayashree Foundation. The volunteers participated in the drive enthusiastically and helped each other plant the saplings. The volunteers took an oath to look after the planted saplings, plant more trees wherever possible and encourage others to do the same.

In total, 25 trees were planted which included mango plant, neem plant and flowering plants. The drive concluded with Prof. Mahesh Biradar stressing the importance of planting trees and the necessity for us to care for them so they can develop.

Total Volunteers: 66

Impact Analysis:

The objective of the drive was to enhance environmental awareness among the masses. Tree plantation isn't merely an option but an imperative, given the pressing challenges we face. It serves as a crucial measure against air pollution and global warming. The drive's success lies in equipping volunteers with profound environmental insights, emphasizing the urgency of proactive environmental stewardship.

Event Descriptions

On 11th of August, the institute faculty organized a field trip for the F.E's to Karnala Fort, Panvel. The faculty was accompanied by 10 NSS volunteers to assist them in managing the F.E's. Everyone gathered around the amphitheater of SIES MBA at 8:15 am and the F.E's were divided into 8 groups. The faculty arranged four buses to accommodate the 169 F.E's, as well as the NSS volunteers and faculty to travel to the destined location. Once reached, breakfast was provided and then at 10:00 am, the entire group went trekking to the top and returned at 3:30 pm. While going up and coming down volunteers collected the plastic and save the environment. They also did the cleanliness drive at the beginning of the Fort. Then, everyone was provided lunch and by 4:00 pm, the entire group left to return back to SIES GST, Nerul campus.

Event Descriptions

India completed 76 years of Independence and celebrated its 77th Independence Day as commemorate its freedom. 15th August 2023 was a day of immense pride and joy for all Indians. The NSS Unit of SIES GST celebrated this day in their usual traditional way. The event commenced with flag hoisting in presence of Honourable Chief Guest CDR Ved Prakash, followed by the National Anthem which spread zeal amongst all. The respected Principal shared his valuable thoughts on the occasion and motivated the attendees.

The program was continued in the GST Auditorium where melodious songs were performed by the Aaroha Team. This was followed by a skit performed by The NSS Unit of SIES GST. The primary objective of the skit was to spread awareness on social issues which are very rarely addressed. The skit covered 3 topics which were:

1. Azadi ka Amrit Mahotsav- This skit illustrated the importance Indian culture and history among the younger generation.
2. Anti-ragging- This skit illustrated and highlighted the importance of anti-ragging committee in the college and how it helps the students to achieve their basic rights.
3. Organ Donation- This skit showcased the awareness about organ donation how it can help in saving lives.

The skit was performed by NSS volunteers who performed the skit brilliantly and also performed various songs and dances pertaining to the topics. The skit was concluded by the volunteers chanting 'Bharat Mata Ki Jai' and lastly performing the NSS claps as a sign of respect for the audience. Later a speech was given by Dr K Lakshmi Sudha , Principal of SIES GST. The event also comprised of a poetry given by the Literary members and a dance performance by the Aagmi as well as two speeches by NSS volunteers for the occasion ,one in English and one in Hindi.

Event Descriptions

On 2nd October, 2023 Gandhi Jayanti and Lal Bahadur Shastri Jayanti was celebrated by NSS unit of SIES GST. All the volunteers were told to assemble in front of the office at sharp 10:00am. The event started begun by lighting the lamp in front of Gandhi and Lal Bahadur Shastri's Photo's by our respected principal Dr. K.Lakshmi Sudha. It was then continued by spinechilling speeches given by NSS volunteers on our late freedom fighters and leaders. In total 4 speeches were given. Right after speeches NSS volunteers sung a series of patriotic songs which raised the spirits of all everyone present at the moment. Then principal ma'am took the dais, in which she mentioned how our great leaders fought hard day and night for us and what we should do to repay their hard work. The dais was then occupied by Prof. Mahesh Biradar who gave a beautiful speech on how great deeds the NSS volunteers are performing all over the country and how social services positively impacts society.

The NSS Unit of SIES Graduate School of Technology conducted a Drive on the 04th of October 2023 at the SIES GRADUATE SCHOOL OF TECHNOLOGY, Nerul(E). The TE NSS volunteers conducted this drive with the SE NSS volunteers to create awareness.

The drive inauguration started with cutting the ribbon at 9:30 A.M. with Principal sir, Dr. K.Lakshmisudha and welcoming the chief guest **Mr.Bapusaheb Deshmukh**. The blood donation drive was in association with KEM hospital providing required medical requirements, doctors and volunteers. The SE volunteers assisted the doctors by standing with the donors and helping them by providing them with refreshments once patient donated blood. The SE volunteers also did offline publicity outside the college. The donors were provided with lunch and refreshments in association with the LIONS CLUB along with a donor certificate .

In total, blood from 266 donors was received by the end of day. The drive was successfully concluded with Prof. Mahesh Biradar stressing the importance on donating blood and taking care of your health.

Event Descriptions

The NSS Unit of SIES Graduate School of Technology performed street play on 19th October 2023 near the canteen area. The SE volunteers of the NSS Unit performed this hindi play to highlight the different issues in our society.

The play begins with two rounds of opening jingles, followed by two scenarios highlighting the importance of saving the Environment by reducing plastic usage and conservation of water.

The second topic was about addiction which explored the dangers of getting addicted to gambling and alcohol addiction.

The third topic delved into scams, where the S.E's portrayed two scenarios where people were tricked into losing their valuables to either a promises of luxurious property or marriage.

The final topic explored the existence of various educational schemes and how vital family planning is depending on the family's financial situation. After two rounds of jingles, the play begins on the second day with the topic Women Suffrage, with the intention of raising awareness among the audience about contemporary issues faced by women in society, such as being denied an education and believing that a woman's life revolves solely around marriage.

Event Description

The NSS Residential Camp, held from January 8th to 14th, proved to be an enriching and transformative experience for all participants. Organized with meticulous planning and a clear focus on community engagement and personal development, the camp provided an immersive journey into service and leadership.

Arrival and Orientation:

Participants assembled at Thane Station, Platform 10 ticket counter, on the morning of January 8th, before embarking on a journey to Aasangon Station followed by a 1-hour bus ride to the campsite. Upon arrival, they were warmly greeted and briefed on camp rules and regulations. Emphasis was placed on adhering to the specified list of items to bring, which included clothing, footwear, protective gear, utensils, personal care items, writing essentials, bedding, additional items like newspapers and sunscreen, and emergency cash. Notably, participants were encouraged to leave behind smartphones and watches to foster deeper connections with each other and the community.

Activities and Workshops:

The camp itinerary was diverse and engaging, encompassing a range of activities aimed at fostering teamwork, leadership skills, and community service. Participants were divided into groups and assigned various duties, including kitchen, administration, lost and found, cultural, and sports teams. To familiarize themselves with the village and its inhabitants, participants embarked on a village tour, engaging with locals to understand their daily lives and challenges. A visit to the proposed dam construction site provided insight into the upcoming project.

Throughout the camp, participants actively engaged in tasks such as village surveys, tree planting, dam construction, and sports activities like football. Workshops and sessions on yoga, cultural awareness, and personal growth were also conducted to provide holistic development opportunities.

Challenges and Achievements:

Despite facing challenges such as inclement weather and physical fatigue, participants demonstrated resilience and dedication throughout the camp. Water management became a crucial task, with participants lifting 10 cans of water daily for various needs. The primary responsibilities were split between the digging and transportation teams, with the

PRINCIPAL
S.I.E.S. GRADUATE SCHOOL OF TECHNOLOGY
Sri Chandrasekarendra Saraswathy Vidyapuram
Sector-V, Nerul, Navi Mumbai-400706

actual construction work commencing on the third day. Teams worked tirelessly to dig, refine soil, and fill sacks, aiming to complete over 600 sacks within a limited timeframe.

Culmination and Reflection:

The arrival of super seniors injected motivation into the camp, spurring healthy competition among teams. With guidance from seniors, participants engaged in dam construction, stone clearance, and filling sacks of soil. As the camp progressed, breakfasts were efficiently carried to the dam site to optimize time. The culmination of efforts saw the completion of the dam, a moment marked by tears of joy and accomplishment. Additionally, a street play was performed for villagers, addressing taboo topics and disseminating important information.

Conclusion:

The NSS Residential Camp concluded with a bonfire surprise and an awards ceremony recognizing outstanding group performance. Participants received their NSS badges, symbolizing their commitment and contributions. With fond memories and valuable lessons, participants departed for Mumbai, enriched by their experiences at the camp. The NSS Residential Camp served as a platform for personal development, instilling a sense of responsibility and commitment to social change among participants, and leaving a lasting impact on both individuals and the community.

Impact Analysis:

The NSS Residential Camp offered a multitude of learning opportunities and left a profound impact on its participants. Through engaging in various tasks and activities, such as dam construction, village surveys, and community service projects, participants gained valuable insights and experiences. They learned the significance of teamwork and collaboration, realizing that collective effort is essential for achieving shared goals. Additionally, participants honed their leadership skills as they navigated different roles within teams, fostering qualities like communication, decision-making, and problem-solving. Interacting with villagers during the village tour and service projects deepened participants' understanding of community challenges and instilled empathy and compassion. Moreover, the camp provided a platform for personal growth, encouraging self-reflection and resilience in overcoming obstacles. Participants also developed a heightened awareness of environmental conservation and cultural sensitivity, recognizing their role in promoting social change and fostering sustainable practices. The friendships forged during the camp further enriched the experience, creating a supportive network and a sense of belonging. Overall, the NSS Residential Camp left an indelible mark on participants, equipping them with valuable skills, instilling a sense of social responsibility, and fostering a spirit of service towards the community.

Event Description

The NSS Unit of SIES Graduate School of Technology celebrated Republic Day on 26th January 2024 by performing a short movie. The dignitaries, college faculty and students were members of the audience. It was held at the GST quadrangle. The ceremony began at 9 a.m., when the principal, Dr. K Lakshmi Sudha hoisted the Indian Flag. This was followed by a speech on patriotism delivered by our principal ma'am. Alumni of our college were also invited as guests on this auspicious occasion and they delivered wonderful speeches and enlightened the audience. The SE volunteers of the NSS Unit of SIES GST performed a short movie for our 75th Republic Day Celebration. The short movie included various energetic dances and a song performed by SE NSS volunteers. The volunteers acted with great enthusiasm and vigor. The premise of the short movie revolved around the importance of law's in our country. By various acts performed in the short movie they rediscovered the need to follow laws. The plot of the short movie deeply moved the audience and the end was met with a cheerful applause.

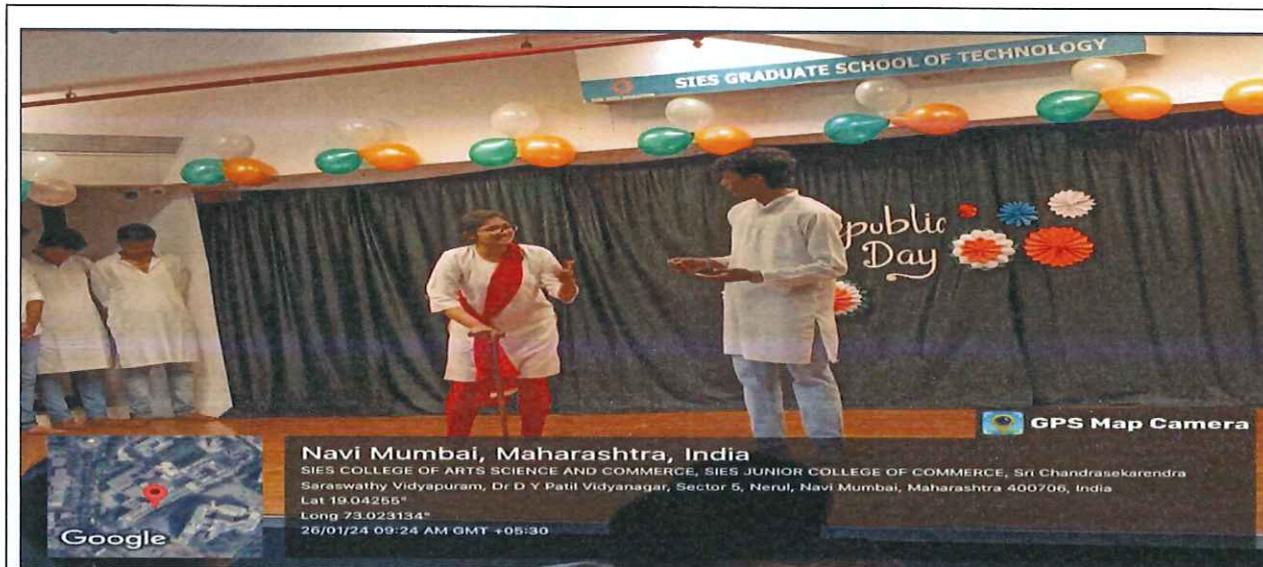

The short movie was followed by speeches delivered by SE volunteers in both Hindi and English. The speeches highlighted the history of our country leading to the day our constitution came into effect. The speeches also discussed the evolution of our country in various fields and aspects. This was followed by musical and dance performances by other clubs and teams of the college.

Impact Analysis:

Republic Day is the day when India marks and celebrates the date on which the Constitution of India came into effect on 26 January 1950 turning the nation into a republic separate from British Raj. The occasion of Republic Day brings back the memory of many sacrifices of our country's freedom fighters to attain purna swaraj (Complete Independence). But as the years have passed, the masses have forgotten those struggles and lost the passion and patriotism for our country. The short film produced by the SE volunteers of the NSS Unit attempted to portray the importance and need to follow laws in the nation.

Event Description

On February 4th, a beach cleaning activity was conducted by the NSS unit of SIES Graduate School of Technology, in collaboration with Jay Foundation, at Dadar beach. The purpose of the activity was to promote environmental awareness, cleanliness, and to contribute towards the preservation of our natural resources.

The beach cleaning activity began early in the morning at 7:00AM. The volunteers gathered at the designated meeting point and were provided with gloves, trash bags, and other necessary cleaning equipment. The beach was divided into sections, and each group of volunteers took responsibility for cleaning their designated area. The NSS volunteers diligently worked to remove various types of litter from the beach, including plastic waste, cigarette butts, and food wrappers. They demonstrated great teamwork and enthusiasm throughout the activity. The clean-up efforts resulted in a significant improvement in the cleanliness of the beach, making it more appealing and safe for visitors and marine life.

The beach cleaning activity conducted by NSS volunteers proved to be a successful initiative in promoting environmental consciousness and cleanliness.

Impact Analysis:

The beach cleaning activity conducted by NSS volunteers had a significant impact on the environment and the community. Their efforts resulted in a cleaner beach, improving its aesthetics and creating a safer environment for visitors and marine life. The awareness and education initiatives also played a crucial role in promoting responsible waste management practices among beachgoers. Through their dedicated work and interaction with the community, the NSS volunteers successfully raised awareness about the detrimental effects of plastic pollution on marine ecosystems. Overall, the activity had a positive and lasting impact on both the beach and the individuals involved.

Event Description

On February 28 Feb 2024, The NSS Unit of SIES GST organised Voter ID registration camp at SIES Campus, Nerul, Navi Mumbai. The purpose of the activity was to promote the awareness of Election and register new voter with voting cards.

The camp began at 10:00 AM. The NSS volunteers gathered in college at the designated time and diligently worked in clearing the seminar hall and getting it ready for people to complete their registration process in the room. Volunteers managed people coming for registration with proper guidance on what all documents and details needed to be filled and kept a proper track of all the registrars.

Voter ID Registration Camp by NSS Volunteers of SIES GST was a huge success by registering a whopping number of 217 new voters.
