| Event Description |
| A Universal Human Values session on "Goal setting" was conducted exclusively for FE students by Department of H & AS with guest speaker Dr. Manasi Karkare. Three days the sessions were conducted for all the divisions of FE. Dr. Manasi Karkare discussed about what are goals, what is the difference between goals and desire, how goals can help them get closer to that desire. She also explained about constraints in Goal setting, how to create smart goals etc. Various activities were conducted for the students to frame their goals and they found it interesting. The session was very lively, and students gave good feedback about the seminar. |
