In laboratory courses, continuous evaluation is carried out and appropriate weightage is given to each practical/assignment/course project and proper record of the same is preserved by the concerned faculty for the purpose of inspection as and when required.

College is the center for conducting First to Final year examinations for the students. Odd semester examinations are held in second half of the year i.e. in November/December and Even semester examinations are held in first half of the year i.e. in May/June of every year. MODE OF EVALUATION FOR FE AND PG

The evaluation of a student for each semester shall be based on his/her performance in ISE, MSE and ESE for theory courses and CIAP & ESEP.

Modes of Evaluation for Theory Courses

Various modes of assessment used for rating students' performance in a theory course include ISE, MSE and ESE. Relative weightage for ISE and MSE is 20 % each. MSE will be a compulsory class test and ISE is either a class test or assignment on live problems or course projects in a group/individually, as per the requirement of respective course.

The MSE and ESE will be held as per the academic schedule and the relative weightage for this would be 60 %. ESE is 02 hours for 60 marks examination and 03 hours for 80 marks examination and will cover the full syllabus of the course. MSE is of 01 hour duration for 15/20 marks pen and paper examination. The marks scored by the student in ESE out 80/60 will be scaled down to 60/45 for result preparation as mentioned in the curriculum. The grade for theory courses can be awarded only after successful completion of both Internal Assessment and End Semester Examination as per the syllabus scheme of the respective programme.

Modes of Evaluation for Laboratory Courses

The Continuous Evaluation in a laboratory course will be based on regular supervision of the student's work, her/his performance in viva-voce examinations, the quality of their work as prescribed through laboratory journals and an end semester test that contains performing an experiment if practical examination is mentioned. It is obligatory to maintain a laboratory journal as prescribed by the course instructor. Final submission/examination for laboratory courses will

normally be held before the ESE. The grade for laboratory courses can be awarded only after successfully completion of CIEP and ESEP as per the syllabus manual of the respective programme.

Modes of Evaluation for Projects (Applicable for students admitted in FE and PG in AY 2024-25)

a) B.E. Project: Project I and II are separately graded, at the end of the respective semesters. These projects are supervised or guided and need regular interaction (at least once a week) with the supervisor/guide. Project group has to submit a project report and defend it in front of a panel of examiners. The dates for submission of reports, the dates for presentations are to be scheduled as per the guidelines and details of mode of assessment are given in the syllabus manual of respective programmes. Project is a part of term work; the project report will not be accepted if students fail to complete the project successfully. The grade for Project can be awarded only after successful completion of CIAP and ESEP as per the syllabus manual of the respective programme.

(Two Examiners should conduct the oral examination of Project. **One of the examiners will be external (faculty member from other department/ institute who is an expert in the respective course domain) and other examiner can be an internal faculty member, who has the requisite number of years of teaching experience. At any given point of time, no examination should be conducted by only single external or only internal examiner.** The average of marks awarded by both the examiners should be considered as final marks).

The panel shall consist of the supervisor(s) and at least one or two more faculty member, to act as internal examiners.

For evaluation of Dissertation-II, a student must submit required number of hard bound Dissertation reports to the respective section. A student eligible for viva-voce of Dissertation-II only if she/he passes in semester –I, semester –II and semester –III in all respect. The evaluation will be done by a pair of examiners based on the report and a viva-voce.

The viva-voce will be conducted in the College. Final Grade reports are to be sent by the College to the respective section of university on completion of the viva-voce. The criteria of evaluation of Dissertation –II are given in the curriculum manual.

GRADING OF PERFORMANCE FOR FE AND PG

Semester wise performance assessment of every registered student is to be carried out through various modes of examinations. These include ISE, MSE & ESE.

ISE – 20%, MSE – 20% and ESE – 60%

Attendance – for all (Theory, Tutorial, Practical, Exam) is compulsory as per Attendance Rule Policy, 75% is compulsory for keeping term.

Letter Grade and Grade Point Allocation

A 10-point grading system will be followed for declaration of results for both Undergraduate and Post-Graduate Programs. It involves calculations for a Semester Grade Performance Index (SGPI) and the final Cumulative Grade Performance Index (CGPI).

In every course, based on the combined performance in all assessments in a particular semester as per the curriculum/syllabus, the student is awarded a letter grade. These letter grades not only indicate a qualitative assessment of the student's performance but also carry a quantitative (numeric) equivalent called the Grade Point. The letter grades and their equivalent grade point applicable for **undergraduate (FE)** programme are given below:

Percentage of Marks Obtained	Letter Grade	Grade Points	Performance
80.00 and above	O	10	Outstanding
75.00 – 79.99	A+	9	Excellent
70.00 – 74.99	A	8	Very Good
60.00 – 69.99	B+	7	Good
50.00 – 59.99	B	6	Above average
45.00 – 49.99	C	5	Average
40.00 – 44.99	P	4	Pass
Less than 40.00	F	0	Fail
Absent	F	0	Fail

A student who remains **absent** in any form of **evaluation/examination**, should reappear for the said evaluation/examination in due course.

The letter grades and their equivalent grade point applicable for **post graduate** programme are given below:

Percentage of Marks Obtained	Letter Grade	Grade Points	Performance
------------------------------	--------------	--------------	-------------

85.00 and above	O	10	Outstanding
80.00 – 84.99	A+	9	Excellent
70.00 – 79.99	A	8	Very Good
60.00 – 69.99	B+	7	Good
55.00 – 59.99	B	6	Above average
50.00 – 54.99	C	5	Average
45.00 – 49.99	P	4	Pass
Less than 45.00	F	0	Fail
Absent	F	0	Fail

A student who remains **absent** in any form of **evaluation/examination**, should reappear for the said evaluation/examination in due course.

SGPI/ CGPI Calculation

Calculation of Grade Point Average (GPA)

Grade Point Average for each semester shall be computed, by dividing the total of product of grade point and the credit value assigned to the respective course, by the sum of credits assigned to all the courses in the semester.

$$GPA = \frac{\sum CG}{\sum C}$$

i. Semester Grade Performance Index (SGPI)

The performance of a student in a semester is indicated by a number called Semester Grade Performance Index (SGPI). The SGPI is the weighted average of the grade points obtained in all the courses by the student during the semester. The SGPI is calculated to two decimal places.

Here:

C = Credit value assigned to a course

G = Grade point value assigned to a learner for course corresponding to the letter grade (refer table given above)

ii. Cumulative Grade Performance Index (CGPI)

An up-to-date assessment of the overall performance of a student from the time s/he enrolled the University of Mumbai is obtained by calculating a number called the Cumulative Grade Performance Index (CGPI), in a manner similar to the calculation of SGPI. The CGPI therefore considers all the courses mentioned in the curriculum/syllabus manual, towards the minimum requirement of the degree student have enrolled for. The CGPI will reflect the **failed status** in case of **F grade(s)**, till

the course(s) is/are **passed**. When the **course(s)** is/are **passed** by obtaining a **pass grade** on subsequent examination(s) the **CGPI** will only reflect the **new grade** and not the **fail grades** earned earlier.

CGPI shall be calculated at the end of the Program, for all the semesters taken together which considers all the credits earned by the student specified for a particular programme. The CGPI is calculated to two decimal places

SEMESTER GRADE REPORT

At the end of each semester the semester grade report, which reflects the performance of the student in that semester is prepared and issued to the student. This report includes the fail grades as awarded. Even when a failed course is passed in a later semester, no new modified grade report for that semester in which the fail grade was awarded will be issued. In case of backlog courses student should be issued separate grade report card as and when she/he passes the course/s. The grade cards can be issued to the students on the basis of the calculations of SGPI/ CGPI given earlier in a uniform format. The format of the grade card for the examinations conducted by the Colleges shall be the same as the format for all the concerned programmes. The grade card will reflect the letter grade obtained by the student, credit points of the individual courses of a particular semester, calculation of SGPI for each semester and the CGPI for all the successfully completed courses of programme till that semester examination.

PASSING STANDARDS FOR FE AND PG ADMITTED IN AY 2024-25

To pass a course, the student should obtain a minimum of 40% marks (45% marks for PG) in aggregate, out of the total marks allotted for each course, where the course consists of ISE, MSE and ESE. The student should also obtain a minimum of 40% marks (45% marks for PG) out of the total marks allotted to the ESE separately, to pass the course wherever applicable, to pass a particular semester.

A student should obtain a minimum of 40% marks (45% marks for PG) out of the total marks allotted to a course in case that course consists of only continuous evaluation component or only ESE component.

Promotion of Student and Award of Grades

A student will be declared **PASS** and eligible for **grade** in a particular course of **undergraduate** programme if,

- A student secures at least 40% marks in ISE and MSE both taken together, and ESE as mentioned

above.

OR

- If student fails in ISE and MSE both taken together but secure more than or equal to 50% in total (ISE+MSE + ESE) in that course.

A student will be declared PASS and eligible for grade in a particular course of post graduate programme if,

- A student secures at least 45% marks in ISE and MSE both taken together, and ESE as mentioned above.

OR

- If student fail in ISE and MSE both taken together but secure more than or equal to 50% in total (ISE+MSE+ ESE) in that course.

Carry Forward of Marks

In case of a student who does not fulfill criteria mentioned in above and fails in the **ISE and MSE both taken together** and/or **ESE** in one or more courses:

A student who **PASSES** in the **ISE and MSE both taken together** but **FAILS** in the **ESE** of the course shall reappear for the re-examination of that course which will be conducted after declaration of result of ESE of that semester examination. If she/ he still fails in this re-examination of any course, then he shall reappear for the special examination which will be conducted once in a year during summer session. However, his/her marks of the **ISE and MSE** shall be **carried over** and he/she shall be entitled for grade obtained by him/her on passing.

SOLUTION FOR NOT MEETING THE PASSING CRITERIA FOR FE AND PG ADMITTED IN AY 2024-25

1. A student, less than 40% marks (45% marks for PG) in the ESE or less than 40% marks (45% marks for PG) 'in aggregate' (i.e. a student who fails to fulfill the passing criteria mentioned in the Passing Standards above) will be required to appear for **Re-Examination of ESE** (as the case may be), which will be conducted after the declaration of result of each semester. In such case, the ISE/MSE/ESE marks (as the case may be) in which the student had already passed will be carried forward in the respective course for which the student has appeared for re-examination. In case, the student fails even in the re-examination, which is being held after the declaration of result of each

semester, she/he will be allowed to appear the special examination during summer session of the academic year. This special examination will be conducted only once in a year.

2. Submission of re-examination/ special examination form along with prescribed fee before the designated date is a pre- condition to appear for the re-examination/ special examination. A student will not be allowed to appear for the re- examination/special examination in case she/he fails to submit the re-examination/special examination form along with prescribed fee, within the time frame stipulated by the College.

3. In order to receive the degree certificate, the student will have to pass in all the examinations of all the years of the program within the validity period, as per rules.
