and felicitated for their daily efforts. On 26th September, a seminar on resource and waste management was conducted by Mrs. Joshi of Stri Mukti Sanghatna. An awareness drive was held in the near-by locality surveying and making people aware of the local ward offices and NMMC.

The 'Swachh Bharat Abhiyan' campaign initiated by the honorable Prime Minister of India Mr. Narendra Modi was implemented with full swing across the country and the NSS Unit pledged to be a part of this nation-wide endeavor. On 2nd October, the oath was followed by a cleanliness drive at Juinagar Railway Station and Gandhi Jayanti celebrations at the Gateway of India, Mumbai. The 7-day NSS camp was organized from 20th to 26th December at Mammoli, a small village at Kalyan-Murbad highway. Compost pits were constructed, along with the support and guidance of Stri Mukti Sanghatna and was inaugurated on 16th January. A survey by Stri Mukti Sanghatna stated that up to 140kgs of waste is produced and most of it could be used in the compost pits and maintaining a 'zero-waste campus' is the main motive. The inauguration was followed by a skit performance at Nerul railway station on keeping our city clean. The next day, the volunteers participated in the dustbin making activity where dustbins made out of cardboard were placed in the college for collecting the dry waste. On 24th January, the volunteers actively participated in a cleanliness drive which was held at college. On 26th January, Republic Day celebrations were held with speeches delivered by the Principal and students, dance, music and skit performances. The day also

saw the Principal, Dr. Alka Mahajan, appreciating the efforts and activities initiated by the NSS Unit. On 31st January, a rally was held from Churchgate to Azad Maidan for the awareness of the Blue Ribbon Movement's (BRM) 1916 initiative, where students of other colleges' NSS Units gathered and many interactive activities took place. A marathon 'Dream Run', was held on 8th February for the noble cause of supporting Burn victims, in association with Camp Karma-a unit of KEM Hospitals. A skit was performed on acceptance of burned victims by the society. The marathon attracted large

participation and managed to collect about Rs.45,000 for supporting the burn victims.

On 23rd march, there was a seminar on the importance of organ donation. It told students about the need and procedure for organ donation. Students also came to know about the things that need to be taken care of when someone who has donated his organs passes away because in most cases the organs go bad due to wastage of time.
