7 days NSS Special Camp – 03/01/2019 to 09/01/2019

The NSS Volunteers of SIES GST held a 7-day special camp at a village named Shai Grampanchayat in Sahapur taluka Dist.Thane where they contributed towards the village's development by making and awaking the importance of soak pits and constructing 3 Check dams on river which will help the village cope with water shortage during dry seasons.

Along with this, the volunteers also contributed in cleaning up the streets of the village, painting the school and gram panchayat office walls and general beautification of the village.

Anveshana Report 2018-19

UDGAM, in collaboration with Agastya foundation, undertook a project ANVESHANA, which was a Science & Engineering competition conducted by Agastya Int. Foundation, further culminated in a fair where the students exhibited their projects/models. This competition primarily involved undergraduate Engineering students and underprivileged school-going students where the students together followed philosophies and practiced hands-on learning, research orientation and making models based on Engineering-Science concepts. The engineering students mentored these students in the creation of models while inducing knowledge and confidence in them.

Engineering colleges participated as teams with 2 members. Each team was allotted 2 students from NMMC school-15 located in Nerul to mentor them to design and build models or projects around an identified social problem. The school students thus received exposure to the entire planning, designing and building process of the models and in turn will get educated in the scientific and engineering concepts behind the models in Anveshana.

4 Teams of SIES GST from EXTC, CE, MECH branches participated in the competition. Their projects were LIBOT, Sky scapper cleaning drone, Smart lock, Auto stove, starting from December 2018 to February 2019. Students made regular visits to school to teach the school kids. They explained all the basic concepts pertaining to their projects to them. Four teams from our college were in the top 25 and one of them bagged the consolation

REPUBLIC DAY – 26/01/2020

The 71st Republic Day of India was celebrated on 26th January, 2020 in SIES Graduate School Of Technology with enthusiasm. The Event commenced with an assembly in the GST Quadrangle where the hoisting of the National Flag took place by our respected Principal I/C Dr. Atul Kemkar, followed by the singing of the Indian National Anthem. Further hosts for a day were introduced and started a day which was followed by a sequence of performances by different student chapters of our college including the NSS UNIT. The Second Year NSS Volunteers performed an excellent skit to create an awareness about the Communication Gap between children and parents & Negative influence of Society on our Passion & Dreams which left a huge impact on the audience and was well appreciated by them. The day was celebrated with Pride and Patriotism fervour.

Event Description

An automobile workshop was held at our college. This workshop was held for the students 27/07/2019 and 28/07/2019. This workshop gave students a brief idea about working of an automobile vehicle, operation of machines like lathe machine, angle grinder, bench grinder, etc. and also about the use of CAD softwares. It was conducted in our college's workshop and was held for two days.

Day 1

The workshop was started with the illustration of chassis department. Here, the students were explained about the importance of chassis, its types, etc. after this, they were given the explanation about the wheel assembly department, where they were explained about traction force, tire nomenclature, etc. They were given a lunch break of one hour. After that, session of drivetrain department was conducted. They were taught about the functioning of engine, CVT, gearbox and applications of zeppa. After this part, session of suspension department was organized, wherein they were taught about the double wishbone suspension, leafspring suspension and their significance. They were given a refreshment break wherein they were provided with a soft drink and fast food. At the end, a fun activity was carried out, wherein students were guided to make a PVC model of our chassis.

Day 2

This day started with the session of steering department, in which they were given a brief idea about various steering mechanisms like Ackermann geometry, pro-Ackermann, etc. After this part, brakes department conducted a session, in which they covered topics like how brakes works, its necessity, its types, and various principles governing it. They were given a lunch break of one hour. Eventually they were taken to the machine shop of our college, where they were taught about the working of the lathe machine, various operations performed on it and its industrial appliances. Thereafter they were explained about the various CAD softwares like solid works, Ansys, etc, which our team uses in making the design of our vehicle. After this, they were introduced to different fabrication like cutting, grinding, profiling, polishing and welding. At the

Blood Donation Camp	Community, Sion Hospital, NSS Unit, Lions Club	Natinal Service Scheme	2018-19	54	13
E-Waste Management Seminar	NGO MAIT	Swachh Bharat Abhiyan	2018-19	55	14

E-Waste Management Seminar

18-10-2018

A seminar on the processing and management of E-waste was conducted at SIES Graduate School of Technology on 18th December 2018. Various aspects about E-Waste like disposal, ill effects, recycling, limitations, etc. were discussed at this seminar. Students were requested to bring E-Waste (if any) generated at their homes to properly dispose them off with the help of volunteers.

This seminar was conducted in partnership with MAIT, an NGO which deals with managing E-Waste and creating awareness about the same.
