ABOUT ROSHNI

Key Training Skills

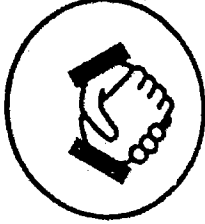

Training, Motivation, Personality Groomer and Corporate Coach!

My diverse work exposure in various roles across industry verticals encouraged Roshni to take a keen interest in observing the intricacies of daily life and work and understanding the natural organization of activities, environments and interactions from the practitioner's point of view. Such close observations kindled the passion of helping individuals understand complex interaction of human behavior and the context in which it occurs in the realm of an organizational setting.

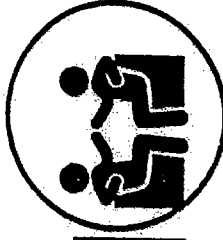

- I have been engaged as a trainer, a motivator and a personality trainer helping individuals find inner strength, become more goal orientated and work in sync with the company's mission and vision.
- With a set of modern, updated, innovative, well researched and out of the box training tools, I strive to be a trainer who aspires to transform lives. My training encourages a healthier work-life balance and always encourages individuals to hone their 'people skills' to become 'better managers'.
- Besides my professional life as a trainer, I also takes a lot of interest in philanthropic and social welfare activities. I have given voluntary service to Calcutta Samaritans on several occasions.

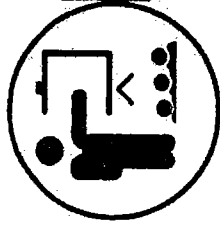

Outstanding Interpersonal skills

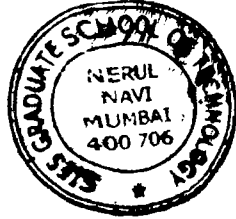

Excellent grooming skills

Effective coaching and mentoring ability

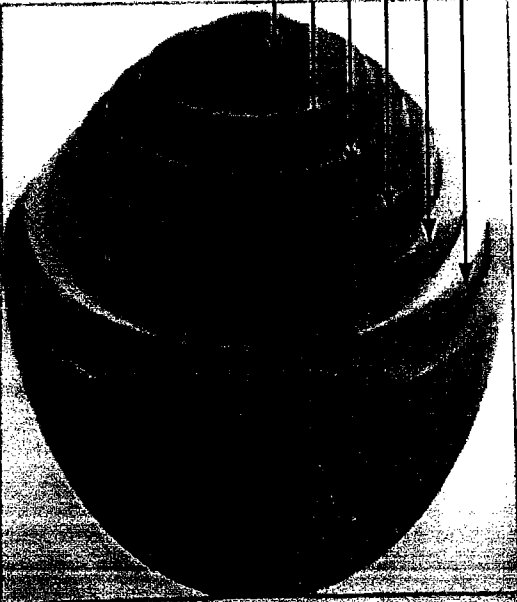

Exceptional team building ability

The Principal

SIES Graduate School of Technology

Respected Sir

Sub: Request for organising Campus Recruitment Training for BE 2019-2020

The Training and Placement Cell of SIES Graduate School of Technology has been organising Campus Recruitment Training (CRT) for the Final Year Engineering students, every year, to help prepare for campus hiring processes.

With the rising demand of the industry, in terms of specific skills for fresher's hiring, and stiff competition at every level of the recruitment process, we plan to start the training in the Third Year of Engineering i.e. at the beginning of Semester VI. Students must understand and practise the required skills for six months prior to the Campus Recruitment in Semester VII, in order to perform better and get the best offers.

To begin with the process, we invite proposals from the vendors for Campus recruitment Training. Among various proposals received, we have identified Campus Credentials for conducting the Campus Recruitment Training at the institute because of the well planned and industry-specific module. We had associated with Campus Credentials for the CRT of BE 2018-19 and found the training very relevant and specific. The students went through extensive learning and practise in all aspects of Campus Recruitment Training Process i.e. Aptitude Test, Group Discussion and Personal Interview. Each student was provided individual login id to take online test for practice. Every student went through the Group Discussion/PI and received personal feedback on their performance. The training Sessions and modules were rated as outstanding by the registered students of BE 2018-19. We have had a positive experience with the CRT for the previous batch, where 90% of the participating students have received offers till date.

The Campus Recruitment Training by Campus Credentials comprises of total 120 hours of training and practice for all participating students at the cost of INR 2500/- per student. The training sessions would begin in January and end by the first week of July 2019.

We need your consent to initiate the registration process for the Third Year Engineering students at the end of Semester V, so we can schedule CRT January 2019 onward. We would request for a permission to go ahead with the plan.

Thanking You

Sincerely

S. Khan

S.I.E.S. GRADUATE SCHOOL OF TECHNOLOGY
NERUL, NAVI MUMBAI - 400 706

Date	01.11.2018
From	Dr. Vikram S Patil, Principal
To	The Hon. Secretary, SIES <i>MS</i>

Respected Sir,

Sub: Request for organising Campus Recruitment Training for BE 2019-2020

The SIES Graduate school of Technology (SIES GST) has always endeavoured to provide an all round development to the students through various training sessions and programmes. The students are encouraged and guided, regularly, to develop their academic potential and progress towards better future. The Training and Placement Cell of SIES Graduate School of Technology has been organising Campus Recruitment Training (CRT) for the Final Year Engineering students, every year, to help prepare for campus hiring processes.

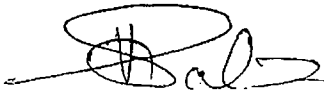

To begin with the process, we invite proposals from the vendors for Campus Recruitment Training. Among various proposals received, we have identified Campus Credentials for conducting the Campus Recruitment Training at the institute because of the well planned and industry-specific module. We had associated with Campus Credentials for the CRT of BE 2018-19 and found the training very relevant and specific. The training Sessions and modules were rated as outstanding by the registered students of BE 2018-19. We have had a positive experience with the CRT for the previous batch, where 90% of the participating students have received offers, till date.

The Campus Recruitment Training by Campus Credentials comprises of total 120 hours of training and practice for all participating students at the cost of INR 2500/- per student. The registration for CRT will be done by the students through cheque in the favour of CENTRUM EDUCATION. We propose to waive the infrastructure charges for the Campus Recruitment Training, as it has been done earlier. SIES GST has organised various Career Enhancement Programmes in the past and no infrastructure cost was charged for the sessions conducted at the institute because the training has benefitted the students to improve their performance and achieve best results in the Campus Recruitment.

We need your consent to initiate the registration process for the Third Year Engineering students at the end of Semester V, so we can schedule Campus Recruitment Training, January 2019 onward. We would request for your consideration and permission to go ahead with the plan.

Thanking You,

Yours truly

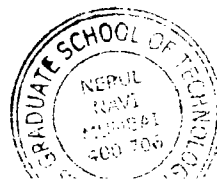

Dr. Vikram S Patil

GTT - MOU For Colleges.doc;

Dear Seema Madam,

As discussed we would like to be associated with your college to up skill your students for placement activities under CSR initiative - Barclays Lifeskills in association with GTT and NASSCOM Foundation.

This activity will be for Final year students from all Branches/Courses. Online Assessment Test of students can be conducted and its Report will be submitted to your college for benefit of students. Which will also be useful to college for NAAC/NBA Accreditation. This all will be Free of cost.

Please find attached format for MOU as well with GTT for Face to Face Training.

Please find below details of Barclays Lifeskills Initiative

Warm Greetings!

It is my pleasure to introduce Global Talent Track (GTT); an education and training venture, set up by some of the best minds from the industry, education and technology domains. The venture aims to provide 'quality with scale' through programs delivered with the help of innovative technologies and compelling content.

Among others we provide training to students hired by companies such as Cognizant, CapGemini, Genpact, Infosys, Oracle, and Hexaware etc.

As part of their CSR initiative, Barclays has decided to skill unemployed youths as per the industry requirement. Barclays has decided to partner with GTT & NASSCOM Foundation in this initiative. GTT would be executing the training program under this initiative, with limited number of colleges across India.

Here are some of the highlights of the training:

1. Barclays LifeSkills training content of 24 hours is available online on www.careerclap.com. Students can study this online content at their pace and give the online assessment. All participating students will receive a E-certificate.
2. As soon as the students complete their online assessment, they will be able to access various features on www.careerclap.com like Practice Aptitude Tests, Employability Assessment Test, Resume Building, Industry Connects, Job Openings and Dosts. All these features are designed to upskill the students and to improve their chances of getting placed in reputed organizations.
3. Leaders@Campus is a pioneering initiative to bring leaders like Principals, Directors, HODs and TPOs across India on a common digital platform
4. Face to face trainings – Students can attend unique and specialized trainings on topics which are preferred by potential employers. Five days face to face training will be provided at one of the GTT

<https://outlook.office.com/owa/?realm=sies.edu.in&vd=webmail&path=/mail/search>

Principal

GRADUATE SCHOOL OF TECHNOLOGY

centers along with industry visits, this helps the students get a perspective of corporate life even before they appear for an interview

5. Face to face high impact workshops by industry experts – Students will also have the opportunity to attend a workshop at their college on variety of topics.

6. Successful student's scores and analysis of their areas of strength (Employability Assessment) will be provided to potential employers.

This program is open for all final year students for streams like BE, B-Tech, BA, B.Com, B.Sc, BBA, MBA etc. We would also like to mention that the entire Program is being funded by Barclays and there would be no cost to either the student or the institute.

We look forward to your support and leadership in upskilling the youth of India and helping them prepare for better career.

Steps to follow

Please find below process students should follow to register on career clap for getting benefits with regards to placement activities.

1. Open website
www.careerclap.com

2. Click on "Login" and then "G Sign in" which is Red colour button. (students need to use their Gmail/Google id for login).

3. Profile page will open. Students need to fill their details and click on submit.

(3.1 - Students should fill middle name or atleast middle initials.

3.2 - They should also have their aggregate marks of Engineering, 12th/diploma and also marks of 10th with them.

3.3 - All students should mention same college name for Engineering.. that is *St. John College , Navi Mumbai*

3.4 - Under work experience, student's should select option "Searching" and then mention their department/Branch)

and then click on submit when all details are filled.

4. Click on "Begin your journey" tab.

(A. There will be e- learning content on different topics with View button. Click on all view buttons to open pages.

B. At bottom of it, there will be "start test").

5. Click on "start test" (Test will be of 20 questions with multiple choice answers on Aptitude and English)

6. Students need to give answers and click on exit test to finish this test (students will receive E - certificate).

All above steps are mandatory to complete registration process.

Then they can learn from e - learning content and prepare for placements and also practice online aptitude test as per their convenience from home or at college using personal laptops or desktops or Mobile.

Regards,

Global Talent Track in association with NASSCOM Foundation.

To: Sandesh Ramteke <ramteke.sandesh@siesgst.ac.in>, AJAY HUNDIWALE <ajay.hundiwale@siesgst.ac.in>, Hema Raut <hema.raut@siesgst.ac.in>, Ahuja Stuti <ahuja.stuti@siesgst.ac.in>, Varsha Patil <varsha.patil@siesgst.ac.in>

Please go through the proposal for Personality Development, forwarded by Principal Sir, for the TE students.

The concerned resource person. Mr Ananthnarayanan Iyer, plans to initiate the training for SS07 for a batch of 60 students from 28 April. Please check the list of registered students for SS07 and revert with the final shortlisted from each department to go through the session for SS07, as per the following plan:

- EXTC- 15 students
- CE- 15 students
- IT, PPT, Mechanical- 10 students from each department

Please treat this as urgent and send the final list by tomorrow morning so the sessions can start from Tuesday, 28 April.

Regards

Dear madam,
Forwarding the mail sent by Mr. Ananthnarayanan Iyer .In the last week he has arranged three days lecture series on Cloud computing,for our TE and BE students.It was successfully carried out.Kindly go through the mail.Further I have collected responses from the students for various course titles.List is attached herewith.You are requested to coordinate the activity and keep the record under T&P activity.At the beginning he will start with SS07 with 60 students.You are requested to shortlist the 60 good students from the list. I will keep you in loop for next communication with Mr. Ananthnarayanan Iyer .Accordingly, you continue further.For any query revert back to me.
Thanks and Regards,

Dr.A N Kemkar,
Professor and I/C Principal,
Department of Electronics &Telecommunication,

Dear sir,

Thanks for the confirmation of the proposed schedule. Prof. Seema Khan, Training and Placement officer will coordinate the activity. Tomorrow by evening we will mail a list of 60 students. Furthermore we will inform them about the schedule.

Thanks and Regards,

Dr. A N Kemkar,

Professor and I/C Principal,

Department of Electronics & Telecommunication,

SIES Graduate School of Technology,

Dear Dr Kemkar

Thanks a lot for your feedback. We are humbled by the huge response to the proposed programs.

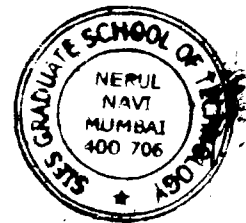

We want to start with the program "SS07 - Business Psychology"

The program will be split into three modules, of 60 Minutes each.

We propose the following schedule for the first batch of the program

- SS07 Module 1 : Tuesday 28th April 1130 to 1230
- SS07 Module 2 : Wednesday 29th April 1130 to 1230
- SS07 Module 3: Thursday 30th April 1130 to 1230

PLOT 1C/D/E, SIR CHANDRASEKHAR RENDRA SARASWATHY VIDYAPURAM
SECTOR-V, NERUL, NAVI MUMBAI - 401 706

We recommend the batch strength to be around 60 Participants.

Depending on how the first batch of the session goes, we will decide on the next course of action.

Thanks, once again, for giving us the opportunity to serve the students of SIES GST.

Please find below the list of programs on Personality Development that we can provide on line over video-conferencing platforms.

Sr No	Course Title
1	SS01 – Enhancing Listening Skills
2	SS02 – Building Trust & Team Building
3	SS03 – Skills to Manage Emotions
4	SS04 – Stress Management
5	SS05 – Psychology of EI
6	SS06 – Connecting Academia to Industry – Understand Industry Challenges, requirements and opportunities
7	SS07 – Business Psychology... Getting into an Entrepreneurial Mindset

Each session will be of **90 minutes duration** and will be conducted over On-line Video Conferencing platform **free of cost**. This is our small contribution to the society during this time of crisis.

The sessions will be conducted by senior Personality Development experts, who also have deep industry experience and regularly coach & mentor Corporate Leaders & Entrepreneurs.

Looking forward for you feedback / time slot to discuss the suitable dates / times for any of these sessions for the students of your institution.
