- You will be prompted to upload several documents into the myOGS system to complete the I-20 process.

You will need electronic copies of the following:

1. **Color copy** of the identity page of your passport

2. Financial documents demonstrating at least \$43,630 USD of support (the amount is higher for students who plan to bring their spouse or a dependent with them). Please ensure that your document meets the following criteria to avoid denial of your request:

- Dated within 9 months of the program start date
- Maturity date does not exceed the program start date
- If fixed deposits: funds must mature before start date **or** confirm in writing that they may be withdrawn at any time

Financial documents and letters of financial support must be printed in English and the names of sponsors should be printed and signed in English. You may complete the myOGS process over several sessions.
