Event Description

Computer Department of SIES GST organized and conducted a project competition under Web Development Laboratory on 22nd October 2019 at CE department SIES Graduate School of Technology, Nerul.

In the competition students developed and presented various website projects. Students learned core concepts of front end and backend programming using HTML5, CSS, Javascript, PHP and MySQL in the web development laboratory. Student's projects are evaluated on the basis of various criteria by our esteemed judges of the CE department. At the end of project competition best three projects were selected. Guests felicitated our winners of the project competition.

Total 113 participants attended the session from TE CE Department. The concluding remarks were given by Dr. Aparna Bannore, HOD of CE SIES GST. The session was well received with admiration by the students.
