UDGAM – Kerala, Kholapur-Sangli Relief Fund

Thanks to these boys, Mabiya's daughter can now go to school

With help from mid-day readers, there were enough funds for the acid attack survivor's daughter to receive schooling, but the absence of a birth certificate was coming in the way of admissions — till two engineering students volunteered to help

 ■ Registered with authorities and did all the paper work so that the 1-year-old could be admitted to school

KERLA PORT

It took a week for the two engineering students to find the hospital where Anisha was born, and then the nearest BNC ward. They registered with authorities and did all the paper work so that the 1-year-old could be admitted to school.

“We lost the birth certificate as the chawl in Sali Haka where I lived with my husband was demolished. When I hear my daughter say bye to me on her way to school, I will be happy. I thank these boys for this favour, for which I will not be able to repay them — Mabiya Munde

“When he handed us two copies of the birth certificate we were so excited that we felt we had stepped on clouds”
