25th December, 2019

SUB: INTERNSHIP COMPLETION LETTER

We are glad to inform you that Mr. Marisuresh Mudaliar from SIES Graduate School of Technology, Navi Mumbai has successfully completed his internship at Task Industries from 11 December -24th December, 2019.

During his internship, he was exposed to various activities in "Metal Manufacturing Process."

We found him extremely inquisitive and industrious. He was very much interested to learn the functions of our Machine Shop and also willing to put his efforts and get in to the depth of the subject to understand it better.

His association with us was fruitful and we wish him all the best in his future endeavors.

Re: Cloud Counselage - 'Online Career Program' Invite

Harshada Topale welcome@cloudcounselage.com via cloudcounselage@btcloud.com
to varsha25772, varsha.patel, ms. nishikayashwa, welcome *

Dear Ms. Pahl

Thanks for your email. The approach we would like to take for the internship is that the students shall pursue virtual online internships throughout the academic year which would be part-time and during the vacation period. This approach shall provide them a continuous learning and more time to explore their interests. As far as the number of students are concerned, further to clearing our aptitude test and interview, we intend to take at least 4-5 students from your college during every academic year. However, the exact number can be decided after looking at the results of aptitude test and interview. All the students who have given/cleared their 1st year of Engineering exam are eligible to apply for our internships. We are working on projects on all the latest technologies in IT, therefore, there is no restriction on the domain knowledge.

We are okay to sign an MoU with the college for the same.

Regards,
Harshada Topale

07/26/2019 11:21 am, Varsha Santosh Patel

Lecture 5

Dear Sir/Madam,

Greetings from SIESGST!

With reference from Seema Madam, Training & Placement Officer, SIESGST

We would like to introduce ourselves as a premier Engineering Institute, known for its academic excellence, innovative and professionalism.

As an enhancement of the curriculum and to upgrade knowledge and skills, we encourage our students to develop their academic potential and enhance their creative and expressive dimension. We collaborate with a number of industries and R & D organizations to ensure that the students benefit from a rich and varied learning experience while they are exposed to recent industry trends.

We would be grateful for guidance to provide opportunities to our students to undertake training projects/ internship at your esteemed organization Cloud Counselage

We request you to consider the following points

- Suitable period of internship is 15th December - 31st January and 1st June- 15th July
- Please specify your domain area so that we can select student based on their domain expertise
- Please specify your intake limits to accommodate students
- We are also comfortable for virtual internship i.e. work from home which can be done during complete academic year

We are looking for your favorable response. Please feel free to contact us for any queries if you have.

Mrs. Varsha Pahl : 9768287595/varsha.pahl@cloudcounselage.com

Mrs. Namrata Patel: 9820298932/namrata.patel@cloudcounselage.com

Cloud Counselage - Online Internship Registration 1800-xx

Harshada Topale welcome@cloudcounselage.com via cloudcounselage@cloudcounselage.com

to sasmak, varshapatil, ms. nitibhavya, welcome -

Hi Ms. Khan,

Greetings from Cloud Counselage!

It was a pleasure meeting you. Please find the details about our company, the Internship and [Registration link](#).

Cloud Counselage Pvt. Ltd. is an IT services company based in Mumbai & London, run by certified professionals with over a decade of experience. We provide Consulting, Advisory & Career services via our technologies and Business Management. We help organisations to formulate their strategies and guide individuals to pave the career path to their growth. We serve SMEs, large corporations, educational institutions and individuals. Please visit www.cloudcounselage.com to know more about our company.

We are offering 'Online Internships' in IT sector for students in 2nd year, 3rd year & final year. Through our online Internships, we guide and mentor students, freshers/graduates and even budding professionals who aspire for winning IT careers in latest & advanced emerging technologies. Our Internship brings them up to mark with what is required to pursue good professional IT industry jobs. Once the students start their internship with us based on our project requirements and their interests students will be trained in the latest IT technologies (like Cloud Computing, IoT, AI, Machine learning, Blockchain, etc.) and thereafter they work on projects related to these technologies. In addition to this, we also give them exposure to IT Project management, ITIL process, IT sales and marketing, corporate environment and working in Virtual teams. This helps them to develop as a complete IT professional and thereby provide an opportunity to discover their real interest. At the end of the Internship, there is an opportunity for every student to be placed within our organization or we help them to be placed with our partner firms of Jee Cloud (A job portal by Cloud Counselage). We provide detailed experience letters/certificates to all the interns for the efforts they perform with and for the organization.

To summarize the salient features of our online Internships are

1. Completely time flexible for students.
2. Cloud based environment enables students to perform internship from any location and anytime.
3. Since the internship is designed with keeping college students in mind, this internship can be taken up during the entire year, along with their current college commitments.
4. Students are expected to dedicate 2-3 hours each day during the weekdays & about 8 hours during the weekends. Nevertheless, students can take break during their exams.

The enrollment process for the internship is as follows:

Step 1: Register for 'Online Internship' ([Click here](#) [or](#) [293348](#))

Step 2: After registering, we will email the aptitude test link to students directly.

Step 3: If they clear the aptitude test, they would be called for a telephonic/face to face interview. If they do not clear the aptitude, they can reappear for the test after a cooling period of 6 months.

To know more about what our interns and young professionals say about us, please visit <https://www.facebook.com/CloudCounselageInternship>

If you need help to enroll into the internship, call/ Whatsapp us on +91 83720 87348

Regards,

HR Team

INTERNSHIP CERTIFICATE

This is to certify that Mr. Shreyas Mujumdar, a student of SIES Graduate School of Technology (pursuing IT Engineering, Sixth Semester) has successfully completed 4 Weeks (From 9th June 2019 to 10th July 2019) long internship under the company's Training & Internship Program in Studyleague IT Solutions.

During the internship period, he worked on a project called Stephen World Travels under the domain of Android Development. He worked as an Android developer in this project in a group of 2 Interns and provided significant contributions.

During the course of our training sessions, he had been exposed to different processes and technical functionalities in the field of Android Development & was found to be assiduous and enthusiastic. He has good logic making as well as coding skills. He was able to effectively multi-task to ensure that the assignments are looked after and completed in a professional and timely manner. We value his contribution to Studyleague IT Solutions.

Best wishes for every success in life.
From, Studyleague IT Solutions.

Eduvance, the educational arm of Vanmat Technologies Pvt. Ltd. having its registered office located at 202 Mary Anne Heights, Santacruz (East), Mumbai 400055, (hereinafter referred to as "Eduvance" which expression shall include its representatives, successors and assignees) of other part.

SIESGST and Eduvance are jointly referred to as 'Parties' in this MOU.

In consideration of the mutual obligations herein contained, the parties agree as follows:

OBJECTIVE AND SCOPE OF WORK

EDUVANCE RESPONSIBILITIES

1. Facilitate the donation of educational material and equipment (as and when available) for the PLC controller lab to SIESGST from companies that Eduvance has a tie-up with namely-
 - a. Accelus robotics
2. Provide knowledge sharing on latest technologies and projects with students and faculty of SIESGST.
3. Provide access to students and faculty of SIESGST to training material that has been created in partnership with companies that Eduvance has a tie-up.
4. Provide access to students and faculty of SIESGST to free online value added programs related to the field of electronics engineering.

SIESGST RESPONSIBILITIES

1. Assign one faculty member as a point of contact to act as a liaison with Eduvance for coordination of Eduvance's responsibilities.
2. SIESGST would put up posters inside the lab (design supplied by donating/facilitating companies) related to the seeded technologies for student awareness.
3. SIESGST will make the best efforts to assign to the students, the free value added programs given by Eduvance.
4. SIESGST will send Eduvance one report per semester on the lab activities that have been performed based on the hardware donated.
5. SIESGST would acknowledge AUP/CUA/Eduvance in any of the research publications/projects that would arise from the establishment of this.

ADDITIONAL POINTS

- The kit and software donation facilitated by Eduvance is on a non-replacement basis.
- SIESGST cannot use the name/logo of Cypress Semiconductors, Cypress University Alliance, ARM University Program on their website or on any event publicity for any other scenario other than regarding the donation of the equipment.

VALIDITY

5. This MOU is valid for three years from the date of signing of this MOU. Thereafter the MOU may be renewed for such term and on conditions as may be agreed between the Parties.

This MoU is entered into on the 1st day of April, 2017, by and between 9th Legend Inc. and CE & IT Departments of SIES Graduate School of Technology (SIESGST).

Objectives of the MoU:

- 9th Legend Inc. and CE/IT departments of SIESGST will work towards creating mutually agreeable & beneficial affiliation by building better academic & corporate engagement.
- Consultants & researchers from 9th Legend Inc. will share their knowledge and experience in the latest technologies with the CE/IT students of SIESGST by way of imparting industry specific training sessions / workshops / conferences / seminars, wherever needed & feasible, enabling students to become more employable.
- The departments / faculty will, where possible, assist / guide the employees of 9th Legend Inc. after training need analysis in research or development of process/product to achieve any common goal.
- Wherever possible, 9th Legend Inc. will have students from departments as interns / fellows to assist in live and research projects. Such internship / fellowship can be on-site or off-site. The period of such internship / fellowship & subsequent details can be mutually worked out as and when required.
- Faculty from the departments will work on various research projects of relevance related to the needs of 9th Legend Inc., as and when required with mutual consent.
- Faculty who do not have adequate work experience may be deputed to 9th Legend Inc. for specific period for getting hand-on experience. The period and nature of such deputation can be mutually worked out.
- 9th Legend Inc. will allow its personnel / resource as a visiting faculty at SIESGST to teach any of the regular or specialized topics upon request by departments.
- Faculty / students of departments can work on projects / research work of 9th Legend Inc. upon request and with mutual consent.
- 9th Legend Inc. and the departments can work together on any other project / work of mutual interest for mutual benefit and society at large.
- Students of the departments will be allowed to undertake full / half day visits to 9th Legend Inc. and its sister concern research labs / companies with prior mutual consent for learning purpose.
- With effect of this MoU it will encourage more interaction & sharing resources between employees, students, faculty, researchers from both organizations..
- Rights regarding publications, patents, royalty, ownership of software/design/product developed etc. under the scope of this MoU, shall be decided by two organization with mutual consent
- During the tenure of this MoU both organizations will maintain strict confidentiality and prevent disclosure of any information and data exchanged under the scope of this MoU for any purpose other than in accordance with this MoU.

MEMORANDUM OF UNDERSTANDING (MoU)

BETWEEN

SIES GRADUATE SCHOOL OF TECHNOLOGY, NAVI MUMBAI

AND

PRESSMAN SOLUTIONS CHENNAI.

This MoU is entered on the 17th day of November, 2018 by and between SIES Graduate School of Technology (hereinafter called SIESGST) situated at Navi Mumbai (Maharashtra), a technical institution providing Undergraduate Degree Courses in Engineering, affiliated to University of Mumbai and Approved by All India Council for Technical Education (AICTE).

And

Pressman Solutions, Chennai doing educational programs for printing industries and various other organizations through training sessions, refreshing courses, whatsapp groups, online blogs, seminars, articles, FAQ pages in printing magazines etc., leading nationwide magazine that covers the latest issues and news of the Indian print and packaging industry, situated in Chennai (Tamil Nadu).

The aforesaid parties are hereinafter referred to individually as Institute and Pressman Solutions respectively.

1. Objectives of the MoU

- To promote and enhance industry-institute interaction between SIESGST and PRESSMAN SOLUTIONS
- To facilitate industrial visits, hands-on training & internships to students and faculty of SIESGST.
- To create training resources for students and industry with mutual support.
- To encourage collaborative work between SIESGST and PRESSMAN SOLUTIONS

2. Technical areas of collaboration

- a) To Provide academic interaction by delivering special lectures/training sessions at SIESGST facilitated by PRESSMAN SOLUTIONS and help in developing corporate/business ethics in students for their career/placements.
- b) To facilitate training for SIESGST faculty in the printing technology field.
- c) Arrange regular interaction by both parties with their respective counterparts to have continual interaction.
- d) To facilitate and help in organising or conducting events of both the organisations mutually at their respective places.
- e) To facilitate in summer/professional internship for TE/BE PPT students of SIESGST, by PRESSMAN SOLUTIONS thereby helping to reduce the industry-academic gap.
- f) To explore more areas of collaborative work mutually by SIESGST and PRESSMAN SOLUTIONS

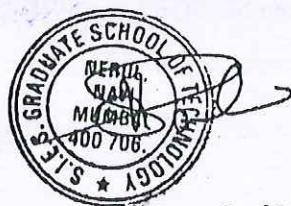

3. Terms and Conditions

- a) For continuing collaboration, the financial arrangements may be made on the basis of mutually agreed terms.
- b) Usage of SIESGST academic infrastructure can be allowed for the limited period subject to its availability, approval of head of the facility/department and institute norms.
- c) This MoU may be amended, renewed and terminated by mutually written agreement of the institute and the academy at any time.
- d) Either party shall have the right to terminate this MoU with 60 days prior written notice to the other party.

4. Confidentiality

- a) SIESGST and PRESSMAN SOLUTIONS agree to hold in confidence all information/data designated by both the parties or created during the performance of the MoU and will not disclose the same to any third party without written consent of the other institute/academy.
- b) The above confidential clause under this MoU excludes the information/data possessed by either party before entering into this MoU or independently developed and/or information already available through public domain.

5. Duration of MoU

For PRESSMAN SOLUTIONS

[Signature]
Proprietor

This MOU, unless extended by mutual written consent of the institutes, shall expire in FIVE years after the effective date specified in the opening paragraph. However, on review, the MoU shall be extended for another TWO years by mutual consent.

6. Coordinators

Both parties will designate persons who will have the responsibility of co-ordination and implementation of this agreement. A faculty from the Department of Printing & Packaging Technology will be the coordinator from SIESGST.

7. Signed in Duplicate

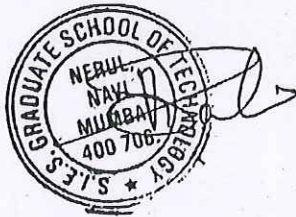

This MoU is executed in duplicate with each copy being an official version and having equal legal validity. By signing below, the Institute and the Academy, acting by their duly authorised officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.
