Event Description

IEEE SIES GST conducted a seminar on "Communication and its Implications", on Saturday, 16th September, 2019 between 3:30 am to 5:00 pm at SIES Graduate School of Technology, Nerul.

The speakers for the session were Mr. Krishna Mohan, the Director of 'Craftin Images', Mr. Sameer Narkar, Founder, Director and Chief Software Architect of 'Konnect Insights', and Mr. Suyash Gogate, Marketing Head of 'Caribbean Cruise'.

The session started with the welcoming of the guest speakers. Mr. Krishna Mohan then talked about the importance of communication and how communication skills are a must in every aspect of day to day life. He talked about the different ways of communicating with people like verbal, non-verbal, etc. and the most important part, i.e. two-way communication. He taught the students about the three main aspects of communication; Speaking, Listening and Understanding.

Mr. Sameer Narkar enlightened the students about the importance of communication on an industrial level. He shared the experiences of his student life and how communication skills helped him achieve his goals. He then interacted with the students and answered all their technical queries.

Mr. Suyash Gogate talked about the difficulties faced due to the lack of communication skills. He shared his experience about how he was shy when it came to speaking or communicating and how he managed to tackle such difficulties. He also gave some ideas to overcome stage fright, shyness, etc. to become a better communicator.

Around 100 students attended the seminar. The concluding remarks were given by Ms. Athulya Anand, MDO of IEEE SIES GST. She appreciated the efforts of the speakers. The seminar ended with gratuity to the guest and vote of thanks.

Online Events Report

The Literary Team of SIES GST conducted two online events during the last week of July with the aim of motivating the students to be productive and utilize their time to enhance their creative writing skills. The competitions were organized with the objective of bolstering the students to be innovative and helping them to stay away from depression during the COVID-19 pandemic by pursuing their hobbies.

The first competition named 'SCRIBBLINGS' was a microtale writing competition. The event provided an opportunity to the students to give a blend of imagination to their writing skills by developing microfiction stories. The theme for the competition was - Childhood, Horror, Monsoon and Friendship. The write-ups were allowed to be submitted in two languages viz. Hindi or English. The participants were judged on the quality of their content, imagination and grammar accuracy.

The second competition called 'MEME-MANIA' was a meme making contest. In this competition, the students had to portray their talent of transmitting happiness through the aid of memes. The topics for this contest were - Quarantine/Lockdown, Work from Home - Expectation Vs Reality and Covid-19 warriors. The memes were judged on the basis of their relevance to the topic, the message spread and the innovation used.

There was no entry fee for both the competitions. The participants were asked to register and mail their content to the Literary Team till 26th July 2020. Both the competitions received an overwhelming response from students of all branches and years. The microtales and memes submitted by the participants were very creative and depicted the remarkable talents of the participants. Both the contests were judged by the Alumni of SIES GST. The winners were awarded with digital certificates. The best micro tales and memes were featured on the Literary Team's official Instagram page - gstlitclub.

The best microtale award was won by Harsh Agarwal from BE EXTC, Gaurang Dandwate from TE Mech and Salil Sonawane from TE Mech. Special mentions for the contest were received by Vitika Pakash from TE EXTC, Mansi Ayer from TE CE and Simran Sharma from BE EXTC.

The best meme(overall) award was bagged by Dhruvin Vashi from SE PPT. The best meme award for Quarantine/Lockdown Category was achieved by Prasad Koli from TE Mech, Work from Home: Expectations vs Reality Category was achieved by Vaibhav J from TE Mech and COVID19 Warriors Category was achieved by Atharv Horambe from SE Mech. Special mentions for the contest were received by Siddharth Jadhav from SE CE, Abhilash Poojary from TE EXTC and Mohit Shetty from BE EXTC.

To conclude, both the events were a big hit filled with intense competition. They received great appreciation from the students and encouraged them to fill up their vacant time by engaging themselves in activities that helped them to develop their personalities.

Grooming seminar for girl students "How to keep us healthy"

Date & Time: Conducted on 13th November 2019 from 2.30 p.m. to 3.30 p.m.

Venue: in Auditorium of SIESGST.

Resource Person: by the Industry Experts from Hindustan Unilever.

Resource person had guided the girl students on personal hygiene as well as how to appear in interviews and present efficiently. She motivated all the girls to be self-confident.

Audience: SIESGST Students and Faculty.

Feedback: Many of the students liked the guidelines and suggestions given by the speaker which was attended by around 39 first year students.

Event Description

The 4th iteration of SIES GST's official hackathon organized under **ISTE** took place on 22nd and 23rd February, 2020.

This year out of 80 registrations we had short listed 20 teams for one day hackathon. We had 12 teams from SIES GST, 3 teams from Fr, Conceicao Rodrigues College Of Engineering, 1 from St. John College of Engineering, 1 from K.J Somaiya College of Engineering, 1 from Ramrao Adik Institute Of Technology, 1 from Thakur College and 1 from Vellore Institute Of Technology.

Out of these 20 teams we had 15 teams present for the hackathon on 22nd and 23rd February,2020.

The hackathon started with a panel discussion with our 3 panelists Mr. Ali Mustufa,, Mr. Smith Jethwa and Ms. Satveen Chhatwal from The Tensor Flow Community.

The teams built solutions for their problem statements based on our theme, "DATA REVOLUTION " in 24 hours under the guidance of our mentors.

All the 15 teams presented their idea after the end of 24 hrs in front of our Judges, Mr. Siddharth Kumar and Mr. Santosh Chapaneri.

2nd runner up: Cash Prize of Rs, 10,000
Team Bytes (Aparna Iyer and Shraffha Iyer) from SIES GST,

1st runner up: Cash Prize of Rs. 15,0000
Team ChernobyLenable() (Avantika Mahalingam, Apurva Mhatre and Aaditya Gurav) from SIES GST.

Winner: Cash Prize Rs. 25,000
Team Mark_Two (Pratik Roy) from Vellore Institute Of Technology

TECHOPEDIA 2K18

Techopedia is a national level festival organised under IEEE Student Chapter of SIES GST. It was for the first time that the events were being held independently. This year Techopedia was conducted on 6th of September 2018. It included 3 events, namely Inquisitive (national level quiz), Squabble (debate) and Circuit Maniacs. There was a great response from the students of our college and from other colleges all over the city. The feedback that we have received from the participants was very much positive and appreciative. The inauguration was attended by all the faculty members of EXTC branch and also from other branches, also by participants and other students. The festival was inaugurated at 9:45 AM by our respected chief guest Mr. Barure Omprakash N. Later, the events commenced at 10:30 am and winded up by 6pm. Following is the detailed report for the day:

Inquisitive is a National level quiz competition, conducted every year by IEEE SIESGST under Techopedia. It started at 11:10 AM and ended at 5:10 PM. It was a one-day event wherein all your knowledge was tested in all fields especially in technical. It consisted of three rounds, first was a pen and paper round followed by a buzzer round and ending with a rapid-fire round.The participants were in a team of two. In all of these levels' participants had to dangle with mental evaluation of mathematics, aptitude test and general knowledge-based questions within the time limits. It was a team event and we had 101 teams participating. The winners of the event were Siddharth Sridhar and Omkar Wagh, the runner ups were Prasad Koli and Hrishikesh Venkatesh. According to the feedback the event was thrilling and also very informative.

Squabble is a debate competition and a platform to showcase your oratory skills with technical perspective. It started at 11:00 AM and ended at 5:15 PM. It was held under the guidance of our respected judge Mr. Sameer Valse. We had group discussion and one-on-one debate with time limitation. It was a team of two event with 84 teams participating. Participants were given guidelines about communication ethics before their performance. This event was quite helpful for participants to build their confidence on stage and to enhance their communication skills. The winners of the event were Aditi Thorat and Swapnil Singh, runner ups were Tanavi Joshi and Dhananjay Rao.

Circuit maniacs- An event which will provide opportunity for all electronic geeks to showcase their knowledge about circuit designing and implementation by competing with others with interest in similar fields. It began at 11:00 AM sharp and ended at 5:15 PM. It

Principal
S.I.E.S. GRADUATE SCHOOL OF TECHNOLOGY

was exclusively for students of first and second years. We had 89 teams participating. The first round consisted testing of knowledge based on electronic components followed by a buzzer round and lastly circuit making and problem-solving techniques. The winners of Circuit Maniacs were Pratik Shinde and Vaishnavi Mukku, runner ups were Siddhesh Ghagare and Siddarth Jain.

Lastly the prize distribution ceremony was conducted at 5:30 PM. All the winners of respective events were given certificates by IEEE, medals and cash prizes. Thus, the festival ended on a good note.

SIESGST MUN 2019 REPORT

The fifth edition of SIESGST MUN was conducted on 15th and 16th of February 2019. It consisted of two committees - the UNGA DISEC and the UNHRC. The first Committee, the UNGA DISEC or United Nations General Assembly Disarmament and International Security Council , had two agendas :- Restricting the use of Cyber Warfare and Terrorism: Prevention of Financing and Arms Trade. It was a single delegation committee. The participants found themselves engrossed in a very enriching debate session over two days, resulting in passing of a draft resolution. The second committee, the UNHRC or United Nations Human Rights Council also had two agendas:- Reviewing the Right to Privacy nad Legalisation of Euthanasia. It was a double delegation committee. The delegates voted upon the second agenda and had a very progresive discussion on legalisation of Euthanasia. The committees featured a lot of first-time participants of MUN who were all very impressed with the nature of the debate in MUN, which encourages each and every participant to speak and give their country's stance on a particular issue.

Event Description
SIESGSTarena , the Codechef campus chapter conducted the annual programming competition BUG4EVER , finals on the SIESGST campus itself. It was held on 5th October from 10 AM to 1PM. Teams who had been selected from the online qualifying rounds assembled on the campus by 9 AM . The competition started sharp at 10AM. There were 6 problems to solve and a team was allowed access to only one computer.Each team had to assign roles amongst themselves due to the availability of only one PC, this tested the team's coordination power. The problems were rated in ascending order of difficulty with the A being the simplest and F being the toughest. The competition was healthy but fierce as coders fought with each other and the problems to come out at the top. The event was successfully finished after the price distribution by Student council incharge Sumitra Padmanabhan Iyer. This competition gave real world exposure to all the participants who attended the competition.

Event Report

Event:	**SDP seminar on "Art of writing an Application" for FE**
Branch:	**All Branches**
Date:	17 March 2018
Day:	**Saturday**
Time:	**9.30 am - 11.00 am**
Speaker:	**Dr. Ramkishan Bhise & Dr. Vijay Songire,**
	H & AS Department
Venue:	**Room no. 302**

OBJECTIVE

Many organizations survive largely on the strength of their proposal and the success of grant applications so it's essential to write them in a way that grabs attention. A well written application can be powerful way of making the right first impression and setting you apart from other applicants.

SESSION

The department of Humanities and applied sciences conducted student development program(SDP) entitled as "The Art of Writing applications" for first year Engineering students on 17 march 2018 at 9.30 Am. The main objective of this student development program was to develop students' writing skills in general and business letter writing in particular. It was conducted by Dr.Ramkishan Bhise and Dr.Vijay Songire. Around forty students actively participated in the seminar.

FEEDBACK

The event had an overwhelming response from first year students of all branches.

Filtration of Compost generated in SIES Campus on 09/09/17

The NSS volunteers of SIES GST are responsible for the inauguration and the maintenance of the Compost pit in the college. From time to time the compost needs to be processed to be sold in the markets. The volunteers thus gathered on the 9th of September 2017 to do the same. Unprocessed compost was brought in sacks and spread out on the floor. The volunteers were divided into groups and were told to crush the mixture to obtain a much finer product. A 'filtered' version of the compost was also prepared which included passing the compost through a filter. This reduced the coarse particles into a much finer powdered mixture and can be sold at a slightly higher price. The processed compost was packed in newspaper bags and will used for Campus beautification/ gardening or sold at nominal price to interested buyers who wish to increase the fertility of the soil.

No of college NSS Unit involved	Total number of NSS Volunteers participated	Total number of Teachers participated	Nature of NSS activity conducted	Resource person/guest Invited for program
1	132	2	Compost filtering	Stree Mukti Sanghatana

1. **Event Name:**

TECHXTER 7.0, National Level Technical Paper Presentation

2. **Date of the Event:**

March 01, 2018

3. **Brief Description:**

TECHXTER is a National Level Technical Paper Presentation (TPP), open to all the branches of engineering and polytechnic. This event is held by the IETE Students' Forum (ISF) of SIES Graduate School of Technology, Nerul. This event provides the participants an excellent opportunity for demonstrating technical competence and presentation skills. After six previous successes, TECHXTER 7.0 has marked the seventh consecutive year of Techxter. It was held on March 01, 2018 (Thursday). The participants initially sent an abstract of their technical paper. Based on the review results, the technical program committee shortlisted a total of 24 papers from Information Technology/Computer Engineering, Mechanical Engineering/Biotechnology/Printing and Packaging Technology, and Electrical Engineering.

Techxter 7.0 started with the Inauguration Ceremony which included a welcome speech followed by the lighting of the ceremonial lamp by all the dignitaries on the dais. The dignitaries present were

- Mr. Vishram Bapat, Guest of Honor, Founder Director, and Technology Consultant
- Adv. Prashant Mali, Keynote Speaker, Cyber Law and Cyber Security Expert, and Bombay High Court Lawyer
- Dr. KTV Reddy, President, IETE New Delhi
- Dr. SS Mande, Chairman, IETE Navi Mumbai Centre
- Dr Vikram Patil, Principal SIES Graduate School of Technology, Nerul
- Prof. K Lakshmi Sudha, Head of Department (Information Technology)
- Prof. Leena Ladge, ISF Coordinator
- Ms. Shreya Majithia, Chairperson, IETE Students' Forum, SIES Graduate School of Technology, Nerul.

This was followed by the felicitation of the dignitaries, the unveiling of the souvenir, and a speech by the dignitaries on the dais. The Inauguration Ceremony concluded with the Vote of Thanks and the National Anthem, following which the participants and judges proceeded to their respective venues for the paper presentation. After all the participants had presented their paper, the judges shared their views on the same. The judges were as follows:

Principal
S.I.E.S. GRADUATE SCHOOL OF TECHNOLOGY

Information Technology/Computer Engineering

- Dr. Madhumita Chatterjee, Asst. Professor and Head of IT Department, RAIT, Nerul
- Mrs. Ashwini Gore, Sr GTAC Manager at Alepo

Electronics and Telecommunication Engineering

- Prof. Preeti Jain, Asst. Professor, Datta Meghe College of Engineering, Airoli
- Mr. Sameer Valse, Deputy General Manager, Transasia Biomedicals Ltd, Mumbai

Mechanical Engineering/Biotechnology/Printing and Packaging Technology

- Dr. Sunil Kulkarni, Asst. Professor, Chemical Engineering Department, Datta Meghe College of Engineering, Airoli
- Mr. Prakash Garud, Technical Advisory Panel, Mechanical Engineering Dept., Thakur College of Engineering, Kandivli

The valedictory ceremony was graced by Mr. Manoj Kulkarni, Guest of Honor and Launch Director at BNI, Dr. Vikram Patil, Principal SIES Graduate School of Technology, Nerul, Prof. K Lakshmi Sudha, Head of Department (Information Technology), Prof. Leena Ladge, ISF Coordinator, and Ms. Shreya Majithia, Chairperson, IETE Students' Forum, SIES Graduate School of Technology, Nerul, on the dais. The students shared their experience about Techxter. This was followed by a speech by Mr. Manoj Kulkarni, followed by the prize distribution. The ceremony concluded with the Vote of Thanks, given by Ms. Nikhita Nair, Vice Chairperson, IETE Students' Forum, SIES Graduate School of Technology, Nerul.

The winners from each branch were as follows:

Branch	Rank	Group Members	Topic	College Name
Information Technology/Computer Engineering	First Position	Raj Chaudhari Shivani Dubey Jayesh Kathale	Autonomous Car Driving using Neural Networks	SIES Graduate School of Technology, Nerul
	First Runners-up (tie)	Krupali Patel Pooja Galgali Asmita Kolte	Augmented Reality for Car Manual	SIES Graduate School of Technology, Nerul
	First Runners-up (tie)	Brijesh Reddy Omkar Prabhu	Making Web 2.0 faster for Next Generation	SIES Graduate School of Technology, Nerul

Principal
S.I.E.S. GRADUATE SCHOOL OF TECHNOLOGY

Electronics and Telecommunication Engineering	First Position	Pratik Tanwar Sagar Kudtarkar	Broadband Printed Hexagonal Monopole Antenna with Optimized Offset Feed and Horizontal Slot to Reduce the Lower Edge Frequency	Vidyalankar Institute of Technology, Wadala
	First Runners-up (tie)	Sanjeeb Bharali Pooja Dash Sharath Chandra Bhushan Chavan	A simplified approach to assist severely disabled patients to make a self-governing movement utilizing EEG and EOG techniques	SIES Graduate School of Technology, Nerul
	First Runners-up (tie)	MK Priyanka Rachana Gaikwad Ramya Ganeshan Rohan Chandanshive	Woman's safety device implementation using IOT	SIES Graduate School of Technology, Nerul
Biotechnology/Mechanical Engineering/ Printing and Packaging Technology	First Position	Savnee Savarkar Aishwarya Subhash Patil	Cellular uptake studies of hydrophobic drug loaded serum albumin Nano Formulation in cancer cell lines	SIES Graduate School of Technology, Nerul
	First Runners-up	Priti Ashok Halwai	Study of plant protein nanoparticles and its applications	SIES Graduate School of Technology, Nerul

4. Target audience

Since Techxter is open to all, the audience had students from all branches, namely, Information Technology, Computer Engineering, Mechanical Engineering, Printing and Packaging Technology, Biotechnology, and Electronics and Telecommunication.

5. Organizing department

Techxter was organized by the IETE Students' Forum (ISF) of SIES Graduate School of Technology, Nerul. Hence the departments involved were Information Technology and Electronics and Telecommunications.
