I-20/F-1 Visa Request Process and Instructions:

If you are a current citizen or permanent resident of the United States, you do not need to complete an I-20 request. The I-20/F-1 visa process is relevant for most admitted, international students and may be initiated by following the below instructions.

- The request process is entirely electronic.
- I-20s may be express mailed after a complete electronic request is submitted and approved (I-20s cannot be sent via email attachment).
- New students who would like to request an I-20 should confirm their enrollment by paying the confirmation of enrollment deposit using the above instructions under the header: **Accept or Decline Your Enrollment**.
- Generally new students who submit a complete electronic request will receive their I-20 within 2-4 weeks of submitting their request.
- Our electronic system is referred to as **myOGS**.
- The name myOGS is derived from the office at Northeastern that serves international students: the Office of Global Services (OGS).
- To use the myOGS system, you must first activate your myNortheastern account using the above instructions.
- To login to the myOGS system, you will use your myNortheastern Username and your myNortheastern Password.
- You will be prompted to upload several documents into the myOGS system to complete the I-20 process.

You will need electronic copies of the following:

1. **Color copy** of the identity page of your passport

2. Financial documents demonstrating at least \$45,561 USD of support (the amount is different for students who plan to bring their spouse or a dependent with them, or who are admitted to a campus other than Boston). Please ensure that your document meets the following criteria to avoid denial of your request:

- Dated within 9 months of the program start date
- Maturity date does not exceed the program start date
- If fixed deposits: funds must mature before start date or confirm in writing that they may be withdrawn at any time

Financial documents and letters of financial support must be printed in English and the names of sponsors should be printed and signed in English. You may complete the myOGS process over several sessions.

To begin using the myOGS system, [CLICK HERE](#).

Problems?

If you attempt to use the myOGS system within 48 hours of setting up your myNortheastern account, you may experience technical problems since university systems typically take 1-2 days to update. If 2 days pass after you set up your myNortheastern account, and you experience problems with myOGS, send an email to: help@northeastern.edu for assistance. If you send such email, include the following information in the body of your email: (1) your NUID number (accessible by logging into your myNortheastern account), (2) the link that you are trying to use which is not working/causing problems, (3) a screen shot of the error, and (4) your email address.

Health Insurance:

The Commonwealth of Massachusetts requires that all students who are matriculating, carry a course load of nine credits or more or are enrolled in a **full-time** program have hospital insurance. Students who are covered under comparable insurance may request to waive the health insurance fee. The University Health and Counseling Services Center, Northeastern's student health services, coordinates care for all students enrolled in the health insurance plan. Graduate students who have waived participation in the insurance are eligible for services if they have paid the student health fee. Please refer to the University Health and Counseling Services Center's web site for further information, <http://www.northeastern.edu/uhs/>

Immunization Requirements:

In accordance with state law, full-time students must provide documentation of immunity to certain diseases. Students will be blocked from registration for the next semester until this requirement is met. Contact your clinician for completion of the Health Form: <http://www.northeastern.edu/uhs/wp-content/uploads/2016/03/2016-17-Health-Report-Meningitis-Waiver.pdf>. You can contact the University Health and Counseling Services Center for further information.

On-Campus Housing:

All full-time students enrolled in a graduate program at Northeastern may apply to live in campus housing. Because space is limited, housing is not guaranteed. The application form is available on the On-Campus Housing and Residential Services web site, <https://www.northeastern.edu/housing/university-housing/>

Off-Campus Housing:

Students may search for housing, sublets, and roommates through the listings and message boards on <http://www.northeastern.edu/offcampus/>. This free service requires account registration with your Northeastern e-mail account.

Dear Rohith:

Congratulations! I am pleased to notify you of your acceptance into the Mechanical Engineering MS program for Fall 2020.

You are being admitted into a coursework, non-thesis masters degree program. Please be advised that funding is not available from the department as a GTA. GRA decisions are made by individual faculty members but none have expressed a need for GRAs at this time. See FAQ <http://www.mtu.edu/mechanical/graduate/advising/faqs/index.html> and Graduate Handbook at <http://www.mtu.edu/mechanical/graduate/advising/handbook/index.html>

All graduate students are required to complete basic and advanced training in the area of responsible conduct for research. You may fulfill the basic training requirement by attending Fall orientation on 26-AUG-2020 or by completing an online training course.

If you have not already provided our office with your final transcript(s) / diploma(s) indicating proof of previous degree(s) awarded, and a certified English copy thereof, please make sure they have been sent by your previous institution(s) as soon as they are available.

Research and teaching assistantships are awarded by your department and questions regarding this form of aid should be directed to them. Resources to assist you prior to your arrival on campus can be found in the Enrollment Checklist on your personalized MyMichiganTech (<https://www.mymichigantech.mtu.edu>) and on our additional resources website for incoming students (<http://www.mtu.edu/gradschool/resources-for/students/admitted/on-campus/international/>).

Unless your program requires you to arrive at an earlier date, plan to be on campus on or before 24-AUG-2020, which is one week before classes begin. Please report to the International Programs and Services Office (IPS) immediately upon your arrival to campus. An I-20 or DS-2019, if not enclosed, will be sent to you separately. Notify our office as soon as possible if you have had any changes in your mailing address or proposed term of admission.

We look forward to welcoming you to the Michigan Tech Graduate School and wish you continued success in your academic career.

Sincerely,

that you have sufficient funds to finance the costs of tuition (including tuition fees), living expenses, return airfares and any non-tuition fees and any other incidental costs for yourself and your dependents for the duration of your course. Tuition fees do not cover the cost of books, materials, field trips, living expenses (unless otherwise specified) or any additional costs that may be incurred for any additional support required due to any medical condition that are not listed as being covered by Monash at <http://www.monash.edu/disability/>.

11. You are responsible for all educational and other living costs and expenses of any person who accompanies you to Australia. If you have any school-aged dependants accompanying you to Australia then they must attend school, and you are responsible for the full fees they are required to pay if enrolled in either a government or a non-government school.

Overseas Student Health Cover

12. It is a condition of student visas that visa-length Overseas Student Health Cover (OSHC) be purchased and maintained for the duration of that visa. Failure to purchase OSHC will result in you being non-compliant with your student visa requirements. If you are accompanied by immediate family to Australia, you must also purchase and maintain visa-length OSHC for them. Even where your particular visa does not require that OSHC be obtained for you or your family, you should consider whether health cover would be beneficial for you to obtain.
13. Monash offers competitive OSHC through their preferred provider, Allianz Global Assistance. Alternatively, you may arrange your own OSHC through another provider. Allianz Global Assistance's premium for the packaged offer contained in this Agreement for a course commencing in 2018, assuming all credit exemptions are accepted, is set out in Part B of this Agreement. For Allianz Global Assistance's policies:

- a) dual OSHC family policy covers only one valid student visa holder plus either one adult spouse or recognised de-facto partner, or one or more dependent children;
- b) multi OSHC family policy covers one student visa holder plus more than one dependant which can only include one adult spouse or recognised de-facto partner and one or more dependent children.

If you wish to accept only part of the packaged offer and/or if you do not wish to accept all credit exemptions offered, the relevant OSHC premium information can be obtained from: <http://www.monash.edu.au/fees/oshc-calculator/> (for Allianz Global Assistance policies), or from another provider of your choice.

14. If your sponsor is responsible for payment of your OSHC, then your financial affidavit or guarantee should state this.
15. If your OSHC payment is less than the required amount, Monash may at its election either (a) allocate the necessary part of the tuition fee to make up the shortfall of OSHC payment and you will be required to pay this amount to Monash, or (b) contact you and you will be required to make this additional payment of OSHC. More information about the OSHC is available at <http://www.monash.edu/fees/resources/policy/overseas-student-health-cover>

Studying at Monash

16. Before you can enrol in your course, you must meet the entry requirements for your course and must satisfy any conditions outlined in this Agreement. If you do not do so, you cannot commence your course, and Monash may, at its option, terminate this Agreement.
17. Upon request by Monash, you will present original or certified copies of your documents including official results. Monash considers only the most recent demonstration of English proficiency in its assessment of whether a condition of English proficiency has been satisfied. Monash may also require you to undergo a test of English proficiency, if it has concerns about your standard of English proficiency. More information regarding Admission to Coursework Courses and Units of Study Procedures is available at <http://policy.monash.edu.au/policy-bank/academic/education/admissions/admissions-coursework-courses-units-of-study-procedures.html>
18. You have read and understood the description of your course, including the pass rate or English language proficiency needed for entry to Monash University from Monash College Pty Ltd as detailed for each course on the Monash College Pty Ltd website <http://www.monashcollege.edu.au/courses> (if relevant to your course) and you have exercised your independent judgement in making a decision as to whether you accept this course offer. Monash does not warrant that enrolment in or completion of the course by you will enable you to obtain any particular employment or to remain in Australia upon completion of the course.
19. The course offer in this Agreement does not represent a qualification or award of Monash University or Monash College Pty Ltd or any other Monash faculty, course, campus or entity. This Agreement describes education and ancillary services offered to you in response to your Application and indicates that you have been assessed against entry criteria at a level sufficient to commence the offered Monash course only.
20. You will advise Monash within seven (7) days of any changes to your current residential address in Australia, mobile number (if any), email address (if any) and details of who to contact in emergency situations while you are enrolled at Monash.
21. If you are under the age of 18 at the time of arrival in Australia for study at Monash and hold a student visa, it is your responsibility to make the necessary guardianship and accommodation arrangements that satisfy Monash and Australian Government requirements. Your parents must provide all relevant under 18 information to Monash as outlined at <http://www.monashcollege.edu.au/information-for-students> before your accommodation and welfare arrangements can be approved. This information should be provided at the time of return of Part B of this Agreement.

You will seek assistance from Monash teachers/lecturers, counsellors and other support staff if you experience difficulties with any aspect of your course, or welfare.
24. You can request to defer your offer for a maximum of 12 months. Deferment requests will ordinarily be granted, subject to (a) the policy of particular Faculties; (b) deferred applications being reassessed to ensure that your English language test result is still valid at the course commencement, and if not, your undergoing a further test of English proficiency; and (c) there being an available space in the course and intake for which deferment is requested. If your offer is for a combined Monash College Pty Ltd and Monash University package of courses and if your progression in one of your Monash College components is outside the standard academic progression, Monash may automatically defer the Monash University and/or the Monash College component of your offer until the next available intake.
If the deferral period for any of the offer(s) exceeds 12 months, you will need to re-apply to Monash for admission as a new student and in these circumstances, Monash makes no warranty or promise that a further offer would be made.
25. Monash University and Monash College Pty Ltd are separate educational institutions; Monash College Pty Ltd offers Diploma, English Language and Foundation Year courses and Monash University offers tertiary level courses. Upon successful completion of a Monash College Pty Ltd component at the required standard for and subsequent admission to a Monash University course of study, you will be considered to be a commencing student at Monash University. Enrolment in a Monash College Pty Ltd course of study does not give you the status of a 'continuing' student at Monash University, for tuition fee or any other purpose.

Tuition and non-tuition fees

26. A tuition fee deposit and where applicable, an administration fee, must be paid by the offer lapse date set out on page 1 of this Agreement. Details of the actual amounts payable for each offer are set out at Table 4 of Part B of this Agreement. If this payment is not made by the offer lapse date, the offer will lapse and a further offer may not be made to you, however, any payments made for lapsed offers will be refunded, upon written request.
27. If there is a balance due for the tuition fees for the commencing teaching period's fees, Monash will invoice you for the balance of that teaching period's fees and any other relevant fees after enrolment. Tuition fees for teaching periods will be invoiced and payable as per <http://www.monash.edu/fees/payments/dates>. If you are receiving a sponsorship or scholarship from a private or government organisation that covers all or part of your tuition fee, your tuition fee for the commencing teaching period and your tuition fees for subsequent teaching periods will be invoiced to your sponsor on receipt of a financial affidavit or guarantee, in English.
28. Once you have enrolled in your course, for future years of your course, the tuition fees set out in this Agreement will not change other than in accordance with this Agreement. Monash reserves the right to adjust annual tuition fees for future years of your course, however any adjustment factor will not exceed 6% per year. Any adjustment will be applied on the first day of January each year for teaching periods with a census date thereafter.
29. The annual tuition fee quoted for non-intensive courses is based on the standard 1.0 Equivalent Full-Time Study Load (EFTSL) / 48 credit points. Students enrolled in Full Year units will be invoiced for the total value of those units within the first teaching period. Students enrolled in an intensive course will be invoiced after enrolment for the difference between the standard annual fee and the higher fee applicable to the intensive course.
30. In the event of a variation between the fees set out in this Agreement and the approved published fees, the approved published fees will prevail.
31. All amounts referred to in this Agreement are expressed in Australian dollars (A\$). The tuition fee for Monash University is only applicable for courses commencing in 2018. If you are offered a place in a course to commence in a different year to the fee year quoted above, note that your tuition fee may be different than that set out in the offer details section. Monash sets their fee for the commencing year approximately 6 months prior to the Start Date - to determine the exact tuition fee for your commencing year, you can check the fee update for your course at <https://www.study.monash/courses>. You will be charged for any difference between the tuition fee in the offer details section and the tuition fee for your commencing year after enrolment.
32. In certain circumstances and depending on your study load and mode, Monash may charge a Student Services and Amenities Fee (SSAF) - see <http://www.monash.edu/fees/other-fees-charges/amenities> for details.
33. If you accept any credit exemptions towards your course after you have accepted this offer, the fees and the duration of your course will be adjusted proportional to the credit points/load of your enrolment. You will be issued with a new CoE reflecting the changed course duration and estimated fee payable.
34. If you withdraw from all studies at Monash, you will be required to apply for re-entry into your course and will be required to pay the new tuition fees listed in any new International Student Course Agreement offered to you.

INTERNATIONAL STUDENT COURSE AGREEMENT

35. You may choose to pay more than 50% of your tuition fees before your course commences. If you make this choice and pay more than 50% of your tuition fees and/or if a tuition fee paid exceeds your actual teaching period charge for tuition fees because of changes to your enrolment load, you hereby authorise Monash to credit that overpayment towards the payment of your next teaching period tuition fee, without further recourse to you. If you pre-pay part/all of your tuition fee, and later wish to use part/all of these pre-paid fees to pay for part/all of course or administration fees for another course at Monash, you hereby authorise Monash to transfer those pre-paid fees towards the payment due for the new course without any further recourse to you.
- 35A. In certain circumstances and depending on your study load and mode, Monash may charge a non-tuition fee – see <http://www.monash.edu/fees/other-fees-charges/miscellaneous-fees-and> https://www.monash.edu/study/courses?qclid=EA1a1QobChM06m7qsL11wIVAYQrCh1B1gJ2EAAAYASAAEgIQivD_BwE for details. Non-Tuition fees include:
- a) Any money payable to the University, partnered institution, or external professional, regulatory, health or assessment body that must be paid for the student to gain admission into, or progress through, their course; and
 - b) Administrative charges such as any fees payable to review an assessment mark or final subject mark, defer a course of study, or as a penalty for late payment of tuition fees.
- Non-tuition fees do not include compulsory or recommended textbooks or reading materials; equipment required for class or work placements; or study or learning resources

Monash obligations

36. Monash shall use its reasonable efforts to provide the course as advertised, but may at its sole discretion alter any part of the course, including but not limited to a practical training requirement, and may postpone or cancel the course.
37. Monash does not guarantee that:
- a) there are unlimited places available in the course. Places in the course are allocated in order of acceptances received, and once all places are allocated, the course will be deemed full and the course offer will not be able to be accepted by you. In that case, you may request to defer your offer, in accordance with clause 24 of these offer terms and conditions;
 - b) every course will be offered in any particular teaching period. Courses offered in any teaching period are subject to change by Monash from time to time.
38. Monash is obliged to notify Australian Government agencies of any changes to a student's enrolment status.

 - c) in the reasonable opinion of Monash, you are not a Genuine Temporary Entrant for the purposes of 'Direction No 69 – Assessing the Genuine Temporary Entrant Criterion for Student Visa and Student Guardian Visa Applications', given under s499 of the Migration Act 1958, or like Direction; and/or
 - d) in its absolute discretion it considers it appropriate to do so.
40. For the purpose of Term 39(a) examples of when you will be in default of this Agreement include but are not limited to where:

 - b) you withdraw from the course either before or after the Start Date;
 - c) Monash refuses to provide or continue providing the course to you because of one or more of the following events:

 - (ii) you breach a condition of your student visa; and/or
 - (iii) your misbehaviour, provided Monash has accorded you natural justice before refusing to provide or continue providing the course on the grounds of this default.
41. You may terminate this Agreement and cancel your enrolment as a student of Monash for any reason, upon the provision of seven (7) days written notice, however your right to refund of fees or obligation to pay any further fees to Monash will be determined in accordance with this Agreement.

Process Related to Your Visa Status:

If you are a non-U.S. citizen or a non-U.S. permanent resident, we ask that you inform us of your status by using the below steps and process. Most students will use the following steps to initiate the I-20 process (for F-1 visa) or DS-2019 (for J-1 visa). Please note the following:

- students coming from outside of the U.S. must initiate the I-20 process by final deadline: July 15 for fall entry. For students already in the U.S. on an F-1 visa, the deadline to transfer the visa is August 8 for fall term entry.
- the process is entirely electronic.
- I-20/DS-2019s will be express mailed after a complete electronic request is submitted and approved (I-20s cannot be sent via email attachment).
- new students who would like to request an I-20 should confirm their enrollment by paying the confirmation of enrollment deposit using the above instructions under the header: **Accept or Decline Your Enrollment.**

- generally new students who submit a complete electronic request will receive their I-20 or DS-2019 within 4-6 weeks of submitting their request.

- our electronic system is referred to as **myISSI**.

- the name myISSI is derived from the office at Northeastern that serves international students: the International Student & Scholar Institute (ISSI).

- to use the myISSI system, you must first activate your myNEU account using the above instructions.

- to login to the myISSI system, you will use your myNEU Username and your myNEU Password.

- to complete the I-20/DS-2019 initiation process, you will be prompted to upload several documents into the myISSI system.

You may need electronic copies of the following:

1. Identity page of your passport
2. Financial documents evidencing at least \$41,844 U.S.D. of support (the amount is higher for students who plan to bring their spouse or a dependent with them) dated within 9 months of your date of entry to Northeastern.
3. One or more letters of financial support (samples are provided within the myISSI system).

Financial documents and letters of financial support must be printed in English and the names of sponsors should be printed and signed in English. You may need to complete the myISSI process over several sessions.

The Commonwealth of Massachusetts requires that all students who are matriculating, carry a course load of nine credits or more or are enrolled in a **full-time** program have hospital insurance. Students who are covered under comparable insurance may request to waive the health insurance fee. The University Health and Counseling Services Center, Northeastern's student health services, coordinates care for all students enrolled in the health insurance plan. Graduate students who have waived participation in the insurance are eligible for services if they have paid the student health fee. Please refer to the University Health and Counseling Services Center's web site for further information. <http://www.northeastern.edu/uhs/>
