I remember the days when we used to blame our education system and say there's a lack of practical application in the curriculum.

And now after 4 years, I have an opportunity to bring some **#change** in SIES Graduate School Of Technology by setting up an Institute Innovation Startup Policy.

The National Innovation and Startup Policy for Higher Education Institutes is a guiding framework to envision an educational system oriented towards startups and entrepreneurship opportunities for students and faculties.

I believe it's a huge step taken by the **Ministry Of Human Resource Development** and the **Government of India** to boost the start up ecosystem in the country.

We will focus not only on how to start a business but also on how we can make it sustainable.

Thanks a lot, **Atul Karmkar sir** and **Sumitra Padmanabhan** ma'am for giving me this opportunity.

Also, if you have any suggestions, ideas, or useful resources that can help us to frame and implement this policy, feel free to post it in the comments.

National INNOVATION and STARTUP Policy 2019 for Students and Faculty
Guiding Framework for Higher Education Institutions

Ministry of Human Resource Development
Government of India

It is an honour to invite you, as an external expert to frame the Institute Innovation Startup Policy (IISP) for SIES Graduate School of Technology (SIES GST), Nerul, Mumbai which is planned on October 28, 2020, from 11:00 AM to 12:00 PM.

The IISP is aligned to the National Education Policy (NEP) under National Education Policy (NEP) 2020, which has been formulated to frame the IISP for the technical institute. As a part of "Atmanirbhar Bharat Abhiyan" for stronger technological transformation every engineering institute needs to frame a startup policy for students and faculty members to incubate the entrepreneurial culture amongst the engineering fraternity. This policy will help students and faculty to start their own startup in the campus.

As mentioned in the NEP, the institute will be conducting regular entrepreneurship sessions, which will give an opportunity for exchange of thoughts, ideas, and valuable inputs from experts working on entrepreneurship, startup, venture, venture capitalist (VC/ANGEL), startup, HR, Management representation etc. to frame the startup policy.

Considering your interest and expertise in the field of work, we request to provide your inputs to the institute to be an external expert to help us frame the startup policy document.

Anticipating favorable response.

Thanking You.

Reconnect Special Awards instituted by Alumni Association:

council incharge <council_incharge@siesgst.ac.in>
to Saurabh, PRAVEEN, Rohit, office_supt, PRINCIPAL

Thu, Feb 21, 2019, 3:15 PM

Dear Saurabh,
Greeting from SIESGST!!

As discussed with you, this year too, we plan to present the special awards to our students in association with Reconnect-the alumni association of SIES GST on Feb 15, 2020 during the inaugural function of our annual festival TML-20. I would take this opportunity to invite you to attend the inaugural function to be held on Saturday, Feb 15, 2020 at 10:30 AM in the GST auditorium. It would be a pleasure to have you amongst us. I also request you to kindly arrange for payment for the awards for the following categories:

1. GSTian
2. Enterprising student
3. Technical Excellence
4. Sports Excellence
5. Creative Excellence
6. Cultural Excellence
7. Trophies for all the awards.
8. Special Recognition from FE and SE

Dear Team,

Thank you for the invite. Let us continue this practice of recognising outstanding talent of GST through Alumni Association.

My Best Wishes to the Students Council for the Festival.

Dear Praveen,

Request you to take care of the remittance from Alumni Account for expenses incurred for the Special Awards.

Regards,

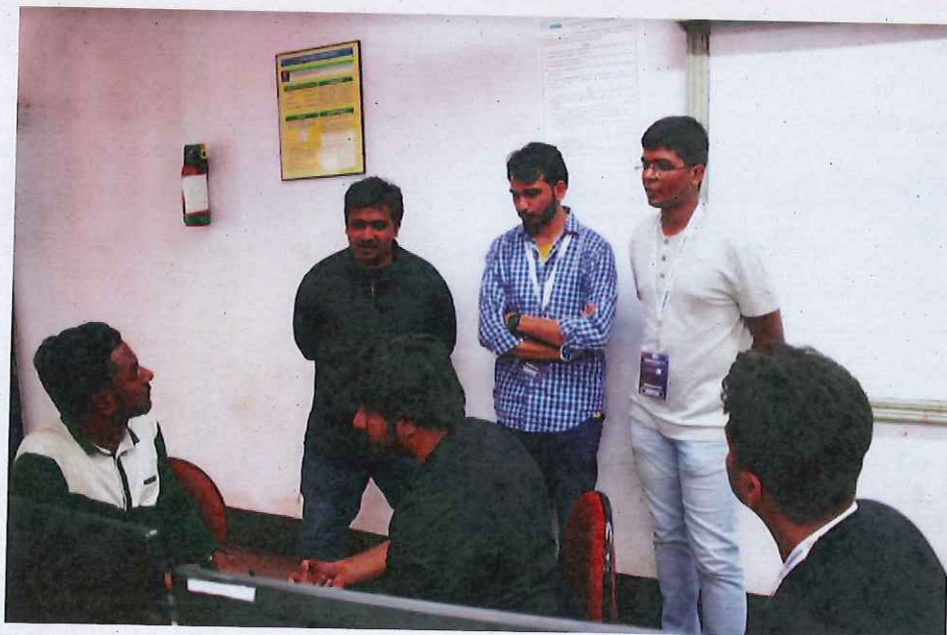

Saurabh Prabhu
