Event Description

Student Development Program on Universal Human Values was designed in order to introduce students to the Values which are Universal in Nature. This SDP helped students to gain the knowledge which was not imparted in any classroom and it is very important throughout life. In new Education Policy it is recommended as a mandatory subject. Students were able to understand the difference the desires of Self and Physical facility, the importance of Relationship in our life, what is Harmony, how to live happily in Harmony with Self, Family, Society and Nature, Human values like Trust, Respect, Affection Care, Reverence, Gratitude, Guidance, Love etc.

The main Objectives of this SDP are

- 1) Understand what are the desires of Self and Body
- 2) Understand What is Harmony
- 3) Understand How to live in Harmony with Self, Family, Society, Nature
- 4) Understand Trust, Respect, Affection Care, Reverence, Guidance, Gratitude, Love
- 5) Understand How to overcome Stress, Anxiety, Anger, Fear, Frustration

This SDP on UHV was a 10-day program with 2 sessions each day which covered a large aspect of human values by conducting interactive sessions, assignments, fun activities and special sessions by guest speakers. Assignments and tasks were assigned in relation to topic or mantra of the day.

SDP covered the fact that everyday spirit should be driven by aspiration and positivity -not by desires or greed. Having a check on our **desires** and **source of inspiration** was a highlighted event in the SDP.

Another important part of the SDP program was harmony and savouring. Our social environment and relations always leave an imprint in our lives. SDP ensured assignments which allowed the students to think of the many ways they grew connections and affections with themselves and their family. SDP helped students to correct the definition of success. Health was also one of the highlights of SDP.

Every day one activity was conducted including exercise, mediation, yoga and so on. Also, importance of proper diet and sleep patterns were discussed. The SDP made sure to add all of this in the curriculum and made the students to note that – happy body is a vessel to a happy soul.

SDP also helped students to boost self-confidence and start believing in themselves. Inspiring talks and videos of great personalities were shared. In many a session believing one-self was discussed and interacted.

Three guest speakers Dr. Minu Mehta, Professor and Head Academics at IESMCRC, Mr. Shashikant S. Radke, VJTI Mumbai, Ms. Gayatri Naik, Shivajirao S Jondhale College of Engineering were invited and they delivered sessions.

SDP on UHV started from a simple introduction and ended with a fun activity. All the important aspects of Human life and relations were discussed. Not problems but solutions were focused more. Accepting one, accepting surrounding and situation and working towards a meaningful goal was the essence of the program.
