

**7.1.6: Beyond the campus environmental promotion activities**

**Tree Plantation at Shantivan Ashram, Panvel on 15/07/17**

The NSS volunteers of SIES GST took part in a tree plantation drive on 15th July 2017 at Shantivan Ashram, Panvel. The ashram had a nursery which sold varieties of saplings and they were generous enough to donate 52 saplings for us to plant in the locality. The saplings were then planted by every volunteer to a nearby location overlooking a river. The people from the ashram and the localities guided them to plant the saplings in the pouring rain. It was a memorable experience and gave each one a sense of achievement for having positively contributed to the environment.

### **TREE PLANTATION PROGRAMME:27/08/2019-30/08/2019**

As the name suggests, all the NSS volunteers along with the FEs of SIES GST participated in an activity which aimed at creating a better environment by planting trees. Through this activity, the volunteers and the FEs along with some faculty members took their time off after the college hours and planted various saplings in the college premises. The event was conducted for 4 good days, making management of students and time easy. The students were made to dig the ground, good enough, for planting the sapling and then in a group they indulged in tree plantation procedure. The programme not only instilled awareness towards mother nature in students but also proved a good ground for bonding and communicating with each other.
